This is a multiple-year grant: Year 1: $133,000 Year 2: $133,000 Year 3: $133,000.

4. $50,000 – Department of Children Youth & Their Families to Child Development Program. SFUSD has selected Dr. Charles Drew School as one campus of the Dream
Schools Initiative, to be implemented in the Bayview community, beginning Fall 2004. One component of this initiative is a Pre-K parent education program for parents of the 0-3 year-old population, who will eventually feed into the Dream School. This program will utilize the HIPPY model of home-based peer-to-peer instruction and the Parents as Teacher (PAT) curriculum mode. This grant will provide for purchase of curriculum and training materials from the PAT national office, hiring and training of one home instructor, and production of outreach/information materials. This is a multiple-year grant: Year 1: $50,000 Year 2: $25,000 Year 3: $25,000.

5. $125,000 – Department of Children Youth & Their Families to Child Development Program. The Child Development Program Comprehensive Service Team Social Workers provide primary interventions, family consultations, and teacher support, and referrals to improve children’s cognitive, social, emotional, physical, and academic development. We also help at-risk children and families navigate the transition to kindergarten. We will serve at least 420 low-income children age 0-13 and 230 parents/caregivers citywide. This is a multiple-year grant: Year 1: $125,000 Year 2: $125,000 Year 3: $125,000.

6. $460,000 – Department of Children Youth & Their Families to Office of Parent Relations. The District is applying for grant award funds under the DCYF RFP to increase the hours of the STAR Parent Liaisons from .5 FTE to 1.0 FTE. The purpose of the STAR Parent Liaison program is to increase parent involvement in the STAR schools. This is multiple-year grant: Year 1: $460,000 Year 2: $460,000 Year 3: $460,000.

7. $867,973 – Department of Children, Youth & Their Families to Office of Parent Relations. The District is applying for grant award funds under the DCYF RFP to increase the hours of the STAR Parent Liaisons from .5 FTE to 1.0 FTE. The purpose of the STAR Parent Liaison program is to increase parent involvement at the STAR schools. This is a multiple-year grant: Year 1: $867,793 Year 2: $867,973 Year 3: $867,973.

8. $307,819 – Private Industry Council of San Francisco to School-to-Career Department. This is an amended application. The amount of funds has changed due to managerial and program procedures. Please refer to previous GDO No. 487.

9. $452,400 – California Department of Education to Multilingual Programs Department. The funds shall be used to implement activities that provide enhanced instructional opportunities for immigrant children and youth, which may include: Family literacy, parent outreach, and training activities for parent participation; Support for personnel, and training for
personnel, including teacher aides for immigrant students; Tutorials, mentoring, academic and career counseling for immigrant students; Identification/acquisition of curricular materials, software, and technologies for the program to carry out the program for immigrant students.

10. $1,500 – California Department of Education to Pupil Services. The District is applying for grant award funds which will be used to pay field colleague costs to provide technical and implementation assistance to School-Based Pupil Motivation and Maintenance Program sites 2003-04 fiscal year. The colleague(s) will also service as readers of the 2004-05 School-Based Pupil Motivation & Maintenance Program applications.

The District is applying for grant award funds to support the activities of Howard Blonsky to serve as a field colleague with the Department. Activities will include serving as a reader in Sacramento for the annual application process, and serving in a field colleague capacity at the annual conference in October.

Grant Awards:

12. $213,000 – U. S. Department of Education to Visual & Performing Arts Department. One of only 34 projects nationwide funded by the U.S. Department of Education's Arts in Education Model Development and Dissemination Program, lead agency and longtime SFUSD collaborator Streetside Stories’ STAR! PROJECT will help 1,750 6th and 7th graders gain proficiency in language arts standards through technology and theater arts integration while training 30 teachers to replicate the programs. This is a multiple-year grant: Year 1: $213,000 Year 2: $209,500 Year 3: $213,500.

13. $132,067 – California Department of Education to Special Education Services. Pursuant to the 2003 Budget Act, $68,997 is allocated to support Mental Health Services provided to Special Education students during the 2003-2004 fiscal year by county mental health agencies in accordance with provisions of Chapter 26.5 of the Government Code. Assembly Bill 1765 requires that during the 2003-2004 fiscal year, the California Department of Education (CDE) shall distribute these funds to county offices of education which will transfer these funds (via a contractual agreement to County Mental Health Agencies).

14. $25,466 – California Department of Education to Special Education Services. Local Staff Development (previously named Personnel Development) grants are funded through the IDEA, Part B. These funds must be spent on personnel development activities at the local level. Services provided through the SELPAs for personnel development
activities include planning and training conferences. A parent training component must be included. Contractors are school districts, county offices of education, and SELPAs.

15. $162,626 – California Department of Education to Special Education Services. The IDEA Part C Early Intervention program plans and implants early intervention services for children, birth to three, with developmental delays with established risk conditions, or with a low incidence of disability. The program includes home based and/or center based services, consultation in the areas of speech and language development and motor development early intervention services, transition at age three, ongoing evaluation, parent education and parent support.

16. $425,000 – California Department of Education to Leadership Development Office. This grant award fund will enable SFUSD schools that have been deemed low performing by the California State Board of Education are under sanctions and must participate in the SAIT process. (These schools include McKinley ES, Treasure Island ES, Golden Gate ES, Malcolm X ES, ML King MS, Burton HS, and Turgood Marshall HS). This grant provides schools with funds to contract with a SAIT provider and allocates $150 per pupil to the site to implement the Corrective Action Plan. Grant Award for SAIT Providers: $425,000.

17. $35,000 – California Department of Education to Office of Teacher Affairs. This grant award fund will provide resources to expand the National Board Certification Program. The program has stimulated a tremendous amount of interest among teachers to become National Board Certified. Additional NBCTs meet the District’s goal of having highly qualified teachers in the District, particularly at schools that are identified as low performing.
