**Excerpts from the Board of Education Rules and Procedures, P120, Article II.**

1.1 These rules shall govern the order of business of the Board and shall constitute policy of the Board.

1.1.1 These Rules shall be reviewed and readopted as a Special Order of Business at the first Regular Board meeting of the year.

3.1 There shall be at least one student delegate within the membership of the Board pursuant to Ed. Code Section 35012. That commencing with the 2000-2001 academic school year, two students will sit on the Board of Education, one student delegate appointed by the Student Advisory Council and the other elected by the students of San Francisco through a democratic process approved by the Student Advisory council.

3.2 The student delegates may cast an advisory vote on all matters decided by the Board at all regular and special meetings. Such advisory votes will be cast at the beginning of voting rotation so that the “advice” of student representatives may be considered by Board Members as they cast their votes. The advisory vote shall not be included in determining whether a measure before the Board carries, but it shall be recorded in the official minutes.

4.1.1 The Board shall meet in regular session on the second and fourth Tuesday of each month at 6:00 p.m. in the place designated by the Board and shall adjourn no later than 10:00 p.m., or upon completion of the item under discussion at that time, unless extended by majority vote.

9.2 The Superintendent and Board Members may introduce resolutions for First Reading during the “Superintendent’s Proposals – First Reading” and “Board Members’ Proposals – First Reading” sections of the agenda, respectively. Upon introduction, the resolution shall automatically be referred to committee. The President shall determine to which committee the resolution shall be referred. The Board may not discuss or take action on a resolution introduced for First Reading at that meeting.

9.3 Members of the public may address the Board on a resolution that is intended to be introduced for First Reading and referred to committee, or a resolution previously referred to or before a committee that has not been returned to the Board for action, after the introduction of resolutions for First Reading. Members of the public may also address the Board on a resolution introduced for First Reading at the appropriate committee. The Chair may limit the time for public comment on all resolutions for First Reading to a maximum of 10 minutes total and 1 minute per speaker or as may be reasonable under the circumstances.
9.4 The Board may suspend Rule 9.2 and consider a resolution introduced for First Reading immediately if five (5) members of the Board approve such motion and the agenda notifies the public that the resolution may be acted upon immediately at that meeting. If the Board suspends the rules to consider a resolution immediately, members of the public may comment on the resolution without the necessity for a “Request to Speak” before the Board considers the resolution.

11.2 Each person requesting to address the Board on agenda items calendared for Board action or on matters other than those calendared for Board action shall be granted such requests provided a “Request to Speak” is telephoned into the Office of the Board of Education the Monday or Tuesday of the meeting prior to 4:30 p.m. or an individual completes a “Speaker Card”, prior to the item being called, on the evening of the meeting.

11.3 Substitution of speakers will not be permitted unless a designated alternate is submitted with the request to speak.

11.4 Maximum time allowed each speaker is two minutes. Any speaker requiring language translation shall be allowed a maximum of two minutes to speak and two minutes for translation. The District will provide translation in at least Chinese and Spanish and, if possible and with adequate notice, in other languages.

11.5 The Board President, with the approval of the Board, can modify the time permitted for speakers and public comment.

11.6 A speaker shall be ruled out of order for failing to speak on the subject matter for which the privilege of the floor was granted.

11.7 Time for total public testimony and/or Board debate shall be limited to 30 minutes unless the time is extended by majority vote and may be continued after all items have been considered.

11.8 Individuals requesting to speak who were held over from a previous meeting shall be the first called at the next regular meeting.

12.4 Debate or action on Board members’ proposals and Superintendent’s proposals upon being duly moved and seconded at First Reading, unless referred to a committee, shall be held on calendar for Second Reading at the next regularly scheduled meeting of the Board.

14.1 No speaker at any meeting of the Board or its committees shall make any abusive, threatening or harassing personal remarks or charges against any officer or employee of the District or against any Board member, with the consequence of, first, a verbal warning and, second, the loss of speaking rights on the matter under discussion.

14.2 Charges or complaints against any officer or employee of the District may be made in writing, signed by the person making the charge and submitted to the District’s Legal Office.

14.3 Cardboard, paper or cloth placards may be brought into the Board meeting room only if they are not larger than three feet by three feet and have no wood, metal or other type of holding device.

14.4 Pursuant to Government Code Section 54957.9, the President may order the Board meeting room cleared if violence or verbal harassment disrupts the orderly process of the meeting.
