Superintendent’s Proposal

No. 48-24Sp1 – AMENDMENT TO POLICY GOVERNING THE PARENT ADVISORY COUNCIL (PAC)

Requested Action: That the Board of Education amends the policy governing the operation of the Parent Advisory Council (PAC) to include the following provisions:

1. The PAC shall include three (3) alternates appointed by the Board of Education. Each alternate shall be the parent, grandparent, foster parent or legal guardian of a currently enrolled public school student. The alternates shall be selected through the same screening and evaluation process as the primary PAC members. They are not required to attend meetings, but may attend if they choose to do so. The alternates will become members of the PAC in the event that a seat on the PAC is vacated during a term.

2. The terms of appointment for members of the Parent Advisory Council shall begin July 1st and end June 30th of each year.

Background: In its first year of operation, the PAC undertook an extensive process of developing operating procedures. The actions above are recommended by the Superintendent, on behalf of the PAC, to ensure that there is a clear process for filling vacancies and that there is consistent participation throughout the year.
