SCHOOL VISION & CONTEXT

Clarendon is committed to providing a quality educational program for every learner, with language programs, enrichment programs, and parent participation. A very diverse community, the demographic makeup of Clarendon is 44.4% combined subgroups of African American, Latino, MultiRacial and others. Ranked one of the 10 most diverse schools in San Francisco, "Chronicle 2015" we have the privilege to promote respect and responsibility throughout the school, and reinforce it frequently with our Positive Based Intervention Strategies (PBIS). Our Care Team interacts with individual staff members weekly, as we attempt to address the many needs of our students. Each of our students studies a language (Japanese or Italian), exposing them to a different culture on a daily or weekly basis. Due to the hard work and generosity of our parents, our students enjoy additional classes in fine arts, music, computer, and physical education. The Japanese Bilingual Bicultural Program celebrates Japanese language and culture instruction delivered by teachers who are Japanese proficient. Our Second Community program embraces art and project based learning through a rigorous English only core curriculum with Italian being offered as a second language. Clarendon has strong ties to the Italian and Japanese consulates. We believe that high achieving and joyful learners are students who command a strong foundation in the core curriculum, while exhibiting a high degree of engagement in challenging, relevant, integrated, and thematic lessons-which promote critical thinking and interaction among classmates. Our teachers teach the core curriculum using a greater variety of instructional materials and strategies. Clarendon offers a safe and secure environment that actively welcomes every family as critical members of the community, and partners in their child’s education. We emphasize regular email and phone contact with families, and are available to meet with families when requested. Many of the staff members post homework and announcements on their own websites.

In the section above, please include salient points from your SARC School Vision and complete an Executive Summary for your school site. Include the following components: (500 words maximum)

- **Who are you:** What are three to five facts about your school? What is essential to know about your students, staff, and community?
- **Areas of success or strengths:** What are your school’s top one or two strengths that directly impact student academic success, student social/emotional development, and/or school culture/climate?
- **Areas of challenge:** What are your school’s top one or two challenges that directly impact student academic success, student social/emotional development, and/or school culture/climate?
- **Key strategies:** What are the main two or three strategies driving work across your entire school and/or within a large component of your school? (For instance, if someone were to ask any teacher at the school, “what is the school mainly working on right now,” what would he/she say?)
- **High Schools:** You can include the information you have in your WASC Self-Study Report (School Data Profile Section)
SECTION I: Overview and Key Components

Overview
Vision 2025 stands as an important beacon for all schools in San Francisco Unified School District. It signals an audacious commitment to a uniquely 21st century graduate. The Graduate Profile from Vision 2025 is one embodiment of this commitment, and all schools are called on to consider their contributions to this vision. The Graduate Profile includes:

- Content Knowledge
- Career and Life Skills
- Global, Local, and Digital Identity
- Leadership, Empathy, and Collaboration
- Creativity
- Sense of Purpose and Sense of Self

The Balanced Score Card (BSC) for the 2018-2020 school years is intended to draw all schools into conversations about this vision. This document is designed to build on your plan from last year and makes changes where necessary.

Transform Learning, Transform Lives is SFUSD’s newest strategic plan. It articulates a new round of efforts, drawn from the successes and learning of past plans, that advance our district and all its schools towards Vision 2025. This template is intended to support schools to use student outcome data more deeply; to reflect on successes and challenges in implementing SFUSD’s key priorities from the 2018-2019 school year; and to build with increased specificity on each school’s efforts to realize the goals and strategies outlined in the SFUSD 2016-18 Strategic Plan Transform Learning, Transform Lives.

The Balanced Score Card serves as the site’s Single Plan for Student Achievement (SPSA) and as a platform for continuous improvement. The design is intended to integrate components of the Strategic Plan (specifically the “Strategies in Action: Schools”), the Local Control Accountability Plan (LCAP) and metrics and targets used as part of the School Quality Improvement Index (SQII).

Key Requirements
In addition to its use as a strategic planning tool, the Balanced Score Card (BSC)/ Single Plan for Student Achievement (SPSA) and accompanying school planning process are designed to meet the requirements outlined in California Education Code § 64001 as well as for the Local Control Accountability Plan (LCAP).

These requirements include:

- School Site Councils must approve the BSC and categorical budget prior to SFUSD Board of Education approval. In order for this to be valid, the School Site Council must have party.
- Prior to voting on and approving the BSC and budgets, School Site Councils must receive and use feedback from English Learner Advisory Councils (ELACs).
- The BSC must align with the District’s goals for improving student achievement and outcomes and articulate schools’ indicators and assessments for evaluating progress toward these goals. School goals must be based upon an analysis of verifiable state data.
- The plan must be reviewed annually and updated by School Site Councils and approved by SFUSD’s Board of Education whenever there are material changes that affect the academic program for students.
- Onsite reviews for compliance and/or complaints will continue, and may require revision and resubmission of the school plan and appropriate expenditures, specifically as they involve categorical programs and services.
SECTION II: School Data Profile

Schools are called on to invest their time into the analysis of the data, reflection on current practice, targets, strategies and interventions.

Follow this [link](https://district.sfusd.edu/dept/rpa/aao/DataDisk/default.aspx) to your data. Inside your school 17-18 Results folder look for the folder titled “###_Mid-Year_Summary_2017-18”. This folder includes the following reports:

- Refer to Illuminate Report List to link to student level data
SECTION III: School-Wide Analysis and Plan

With the adoption of and transition to the Local Control Funding Formula, the State has also issued the Local Control Accountability Plan (LCAP) that outlines the state’s priorities. These align well with SFUSD’s articulated performance indicators and the work we’ve done with the more holistic measures and targets in the School Quality Improvement Index. As you use the data above and other sources accessible to you, please consider the following guiding questions:

- What are the implications of the data, based on your analysis?
- Beyond the quantitative data provided, have you considered anecdotal and internally developed measures to create a more robust representation of your school’s context?
- In each area, identify targets/outcomes that measure impact on student achievement.
- What shifts, in strategy, actions or initiatives are necessary to meet those successful targets/outcomes for students?

As we move forward in our work, we will continue to work towards the enactment of Vision 2025, and the more specific strategies articulated in the 2016-2019 Strategic Plan Transform Learning, Transform Lives.

Strategies in Action: Classrooms

School Plan

Instructional Core / Engaging and Challenging Curriculum

As a school community, please review “Strategies in Action: Classrooms” prior to completing this section. School teams will also find great value by visiting the websites for each subject area described in the section. Data needed to complete this section of the BSC is included in Section II above.

*Focal Group: Site leaders identify a focal group who is not yet meeting high expectations on outcome measures (such as academic achievement, social-emotional learning, etc.). Site leadership teams set specific goals for a focal group and measure their progress toward these desired outcomes on a daily, weekly and monthly basis.

LANGUAGE ARTS CORE CURRICULUM IN ENGLISH AND OTHER TARGETED LANGUAGES

Define your Focal Group: For your focal group, (African American, English Learners, Students with Special Needs, Foster Youth), based on the data, what specific goals and shifts will you set to ensure access to the core curriculum, academic success & social emotional well-being in both formative and summative assessment measures? You could have more than one.

Identify Focal Group(s):
Students with special needs, AA and English Language Learners.

Academic Tier One - Access to the core curriculum for all students: What will you do to ensure that all students have access to and success in the core academic program?

According to the Fountas and Pinnell Reading assessments administered in February 2018, 79% of all students in grades kindergarten through second grade are reading on or above grade level. This is consistent with the scores from Fall 2017.

Our previous BSC goal was to close the gap in performance on the Fountas and Pinnell assessment and the Reading Inventory Assessment. In Spring 2017 75% of students in grades three through five were reading at or above grade level expectations, with an increase to 79% in February of 2018.

Levelled Literacy Intervention supports for students has been effective and should be continued.

We are developing a new feedback loop that connects the intervention with the teacher and administration. The new system will more closely monitor progress and allow for movement into and out of the LLI program.

Similarly, 79% of students in grades three through five when assessed by Reading Inventory were proficient. This is a 16% increase from Fall 2017. 63% of students in grades 3-5 were proficient in writing as measured by the SFUSD Integrated Writing Assessment, only 22% of students with special needs were proficient.

Our goal is to improve writing as measured by the SFUSD Integrated Writing Assessment.

Writer's workshop with a writing support teacher in grades 4 and 5 will support students in reaching mastery in writing.

Students will have a smaller teacher to student ratio, with a focus on the writing process and elements. Student work will be shared with parents at a publishing party in each of the 3rd, 4th and 5th grade classrooms.

Academic Tier Two - What intervention strategies will you use to serve students who need additional support to be successful in the core Language Arts program? If you have a centrally allocated Academic Rti Facilitator, please articulate how that staff will be utilized in pursuit of those goals?

Our goal is to increase proficiency by 10% in the upcoming school year.

Students will have a smaller teacher to student ratio, with a focus on the writing process and elements. Student work will be shared with parents at a publishing party in each of the 3rd, 4th and 5th grade classrooms.
According to the Spring 2018 Fountas and Pinnell scores, 35% of students in grades kindergarten to second grade with Special needs were proficient in Reading. 33% of students in grades 3-5 with special needs were proficient in reading as measured by the Reading Inventory. 22% of students with special needs were proficient in writing as measured by the SFUSD Integrated Writing Assessment.

The SDC 3-5 class will be co-taught next year with one teacher focusing on reading and writing. Additionally, the students with special needs who are in general education classes will receive support from the writing support teacher.

### Mathematics Core Curriculum

### Science Core Curriculum

Access to the core curriculum for all students: Starting in the fall of 2018, all students should be learning the new Next Generation Science Standards through the implementation of the SFUSD Science Core Curriculum. ### English Language Development (ELD): Designated & Integrated
To ensure that all English Learners (ELs) have access to, can engage with, and achieve in grade-level academic content, schools will implement comprehensive Designated and Integrated English Language Development (ELD) instruction based on the California ELD Standards. Designated ELD is instruction for a minimum of 30 minutes daily tailored to the proficiency level of English Learners. The goal is to provide students with the supports necessary within an English Learner learning environment in order to increase the access to grade-level content. Integrated ELD is embedded within core content instruction (e.g., English Language Arts, Mathematics, Science, Physical Education, etc.) across the instructional day using a variety of strategies to enable ELs to comprehend, use, and learn grade-level content as a means toward accelerated language learning.

Reflecting on your school’s data, including English Language Proficiency Assessments for California (ELPAC), formerly CELDT, what will you do to ensure that all students have access to and success in English Language Development (ELD) and become Reclassified Fluent English Proficient (RFEPI).

</tbody>
</table>

**Analysis of results:**

- Students, Families and Teachers all rate Clarendon very favorably in regards to climate of support for academic learning and school connectedness. Areas for growth include teachers’ knowledge and fairness of discipline, rules and norms as well as teacher safety.
- School wide positive behavior interventions and supports (Paws) are distributed at lunch and recess daily. Systems are in place that include what to do when a student is escalated, reentry into the classroom, and consequences. Our social worker is working to implement social-emotional development curriculum school-wide. CARE and RIT teams meet weekly to discuss school-wide and student specific concerns and develop action plans for success.
- Parent groups are financially supporting the purchasing of social-emotional development curriculum next year. Teachers will collaborate at the beginning of the school year and periodically through the year to discuss school rules and school safety issues.

**Analysis of results:**

- Clarendon has designated a teacher who serves as the Arts Coordinator and interacts as the primary liaison to the VAPA Department and to provide leadership and direction at the school in partnership with the Principal, teachers, parents, staff, and VAPA Supervisors.
- Our goal is have a balanced, comprehensive arts program is one in which the arts are studied as discrete disciplines related to each other and, when appropriate, to other subject areas in the Core Curriculum.
- Clarendon has an amazing access to Visual and Performing Arts teacher five days a week to all students, a supplemental art teacher for SDC and other special projects, Dance, Music. Our shift is to continue to develop more strategies for our most challenged students with an IEP to have access to art.

**Analysis of results:**

- To ensure that all students have access to, can engage with, and achieve in grade-level academic content, schools will design and implement physical education programs that provide grade level, developmentally age-appropriate, physical education instruction. Students in grades K - 5 must receive 200 minutes of instruction in physical education from a credentialed teacher per every ten-day period. Students in grades 6 - 10 receive 400 minutes of instruction per every ten-day period, unless otherwise exempted.
- Reflect on your school’s data, including State mandated physical fitness testing and students ePortfolio. Using this data & guided by the table below, develop comprehensive physical education and activity programs for all students.

### HEALTH EDUCATION CORE CURRICULUM

**Analysis of results:** Can include Social Emotional Learning/Culture Climate survey results, BMI/Fitnessgram, Coordinated Program Monitoring Tool (CPM), Youth Risk Behavior Survey (YRBS) trends, qualitative data

**Based on analysis, describe site’s goals for a balanced, comprehensive health education program.**

these goals? What resources or support will be required to achieve these goals?

All students receive 100 minutes of P.E. instruction each week from an SFUSD P.E. teacher or Clarendon consultant. Teachers actively engage all students in motor skill development, collaborative play and skill building based on grade level learning expectations.

All fifth grade students will meet physical fitness assessment standards

Parent groups will continue to support P.E. through the funding of the Clarendon P.E. consultant.

OTHER SUBJECT AREAS (Secondary Schools, optional for Elementary)
As you work through this section of the plan, engage in conversations with department chairs and faculty in subject areas other than Language Arts and mathematics. What is your plan to ensure students have access and success in the academic program?

COLLEGE AND CAREER READINESS
Describe your site’s goals and actions to promote a college and career going culture and to ensure student outcomes are aligned to and support the Graduate Profile and the 10 Big Shifts, as described in Vision 2025.

High Schools Indicators: On-Track/Off-Track, SAT/ACT, PSAT, Advanced Placement courses offered/passage rate for underrepresented populations, Career Pathways, internship opportunities, dual/concurrent enrollment, AVID, FAFSA completion, Credit Recovery, etc.

Middle Schools Indicators: AVID, High School Readiness, College visits, college and career plans

Narrative describing college going culture (using indicators suggested above)
WASC Ch.2

What are your targets/ goals?

Clarendon employs a multi-prong approach to K2C with classroom teachers the administration and parent leaders promoting involvement in the program.

What shifts will be required to achieve these goals?
WASC Ch.5

Clarendon is meeting targets with a $55,437 total amount saved for the whole school which equates to $554 per family. Our target is to increase Saver Rate of 18.2% to 25% by the end of 2019.

Focused effort with our new incoming Kindergarten classes during orientation and new family picnics as well as ongoing dialogue in our weekly newsletters.

Elementary Schools
What is your plan for promoting college and career readiness?
For PK-5 Schools: What strategies will be used to increase Kindergarten readiness?

We will continue to create a culture of K2C mindset that includes starting savings accounts and planning for academic success and careers from Kindergarten to college, promoting Middle School Night and bringing in community partners in our 3rd, 4th and 5th grade classes that talk about the importance of College and Career.

Strategies in Action: Schools
In Transform Learning, Transform Lives, the “Strategies in Action: Schools” section describes the actions of effective schools. The section is organized in keeping with a framework created by researcher Anthony Bryk, which describes five essential supports found in effective schools: (1) leadership, (2) instructional guidance, (3) professional development, (4) student-centered learning environment, and (5) parent-school-community ties

School teams are encouraged to refer to “Strategies in Action: Schools” as you consider plans for the coming school year.

LEADERSHIP, INSTRUCTIONAL GUIDANCE & PROFESSIONAL DEVELOPMENT
Schools with coherent instructional guidance can articulate the what and how their site’s instructional program. Student tasks are foundational and assessment plays an integral role in student learning. Teachers are clear as to the steps they will take to differentiate instruction and site leaders create the appropriate conditions to ensure all students reach mastery. As you reflect on your site’s current context, what steps, from a leadership perspective, do you need to take to deepen your site’s coherence and mastery of the vision. How will you resource these steps? (consider: IRFs, coaching, site based instructional rounds, data-driven decision making, lesson design, standards-based grading, district sponsored professional development, teacher collaboration)

How will you structure site-based and district professional development/learning?

Clarendon has an Instructional Leadership Team that meets regularly with the Principal to discuss, design and develop professional develop that includes Peer Observation, Release Days to Observe Programs off site, Time for collaboration and accessing district and outside resources.

School-Wide Action Step(s)  How will you resource this?
STUDENT-CENTERED LEARNING CLIMATE

A school environment that is safe and orderly communicates an expectation that all students will achieve social emotional and academic success. In keeping with a Response to Instruction and Intervention (RTI2) model, the school maintains a safe and supportive school environment where all students benefit from multiple tiers of support including research-based academic interventions and Positive Behavioral Interventions and Supports (PBIS).

As you complete the table below, consider what shifts would be necessary to create a positive school and classroom climate in which all students are in classrooms, supported, learning and engaged, in the least restrictive environment?

Consider the following items as they relate to each category:
- **Students with Disabilities/ Promotion of Inclusive Practices**: percentage of students in Special Education school-wide (identified internally) and number of referrals to Special Education (total & for subgroups- AA, EL). Your community is called upon to consider SFUSD’s commitment to full inclusion and increased expectations for students with disabilities.
- **Student Engagement/Attendance**: school attendance rates, chronic absenteeism rates
- **School Climate**: suspensions, discipline referrals, middle school and high school dropout rates, high school graduation rates and any indicators from student surveys
- **Social Emotional Learning**: interpersonal and intrapersonal skills including but not limited to growth mindset self-efficacy, self-management, and social awareness
- **Wellness Policy**: nutrition and physical activity expectations according to district Wellness Policy to increase healthy behaviors for all school site students, staff, and families, i.e. student-led project-based learning assignments to impact Tier 1

What actions will you take to deepen the capacity of school staff to authentically partner with families? What actions will you take to offer opportunities for families to deepen their capacity as partners:

We have begun a cohort model for our SDC students and families in order to make more meaningful and long lasting relationships at Clarendon. For 2018-2019 school year Clarendon will be kicking off affinity groups including AA, Latino and Non Traditional Families to give a voice to underrepresented populations. At Clarendon these groups if combined as one subgroup represents 40% of the total student demographics. This makes Clarendon one of the most diverse schools within the SFUSD.

**How will you measure your impact? Measures can include:** Culture & Climate Surveys, Academic Data, Attendance

We will measure our impact through SEL surveys and attendance and the establishment of a Calendar of events that can be published the first week of the 2018-2019 school year.

Community Partnerships

What academic and/or social-emotional needs can community partners help your school site address that align with and support your BSC goals?

| | Restorative Practices, Violence Prevention, etc. |
| ☐ Academic Support | ☐ VAPA or Literary Arts |
| ✅ Behavioral Health & Wellness | ☐ Youth Leadership/Youth Development |
| ☐ College & Career | ☐ Parent/Family Support or Partnership |
| ✅ Expanded Learning/After-School | | |
| ☐ Physical Activity/Recreation | | |
| ☐ School to CTE | | |

List 1-3 current or potential community partner(s) who are address these needs.

Morning Mandarin Second Community Childcare Art Club Chess Club Drama Club Game Design & Coding Keyboard Educators SF Math Circle Honor Chorus Tree Frog Treks Tsuzumi Class UCSF Psychiatric and Research Departments Genvyu Arts Italian Consulate Japanese Consulate Second Community Parent Association (SCPA) Japanese Bilingual Bicultural Program (JBBP)

**What are your specific goals or objectives for these partnership?**

Our goals are to continue to define our relationships and quantify results in student achievement.

**What actions will you take to deepen your school's partnership with community organizations?**

We are in the process of developing a feedback tool that will be used to gather input from the community partners, students and families.

**How will you measure the impact? (Quantitative and/or qualitative data)**

We will measure the impact by reviewing the data midyear and at the end of the year.
### SECTION IV: School Budget & Resource Priorities

**Weighted Student Resources in WSF and Other LCFF-Funded Allocations**

In the fields below, list the amount of funds you received and describe how you plan to use these funds to increase and improve services to specific student groups.

#### Special Education Weighted Student Formula (WSF-SpEd)

**Allocation = $5,100**

Instructional materials and supplies for our SDC and RSP students.

**Select the Bryk Essential that most align to the use of these funds:**
- Instructional Guidance (LCAP Priorities: Implement Standards, Pupil Achievement, Course Access)
- Professional Capacity (LCAP Priorities: Basic)
- Student-Centered Learning Climate (LCAP Priorities: Pupil Engagement, School Climate, Other Outcomes)
- Parent-School-Community Ties (LCAP Priorities: Parental Involvement)

#### Supplemental Concentration Grant-English Learner (SCG-EL) 07091

**Allocation = $31,878**

*How will your site use SCG-EL resources to increase and improve services for English Learners? Why is that the best use?*

We will provide the Level Literacy Intervention (LLI) resources and staff to work with our English Learners. Our previous years data supports the continuation of this resource. We will establish a schedule for all Kinder, first and second grade students using F&P data to identify focal ELL students to receive LLI instruction.

**Select the Bryk Essential that most align to the use of these funds:**
- Instructional Guidance (LCAP Priorities: Implement Standards, Pupil Achievement, Course Access)
- Professional Capacity (LCAP Priorities: Basic)
- Student-Centered Learning Climate (LCAP Priorities: Pupil Engagement, School Climate, Other Outcomes)
- Parent-School-Community Ties (LCAP Priorities: Parental Involvement)

#### Supplemental Concentration Grant - Low Income (SCG-LI) 07090

**Allocation = $0**

*How will your site use SCG-LI resources to increase and improve services for low income students? Why is that the best use?*

We would use these funds to develop inclusive practices, mainstream schedules and instruction strategies for our SDC, RSP and General Education students.

**Select the Bryk Essential that most align to the use of these funds:**
- Instructional Guidance (LCAP Priorities: Implement Standards, Pupil Achievement, Course Access)
- Professional Capacity (LCAP Priorities: Basic)
- Student-Centered Learning Climate (LCAP Priorities: Pupil Engagement, School Climate, Other Outcomes)
- Parent-School-Community Ties (LCAP Priorities: Parental Involvement)

#### LCFF Concentration Grant (SCG-C) 07092

**Allocation = $0**

*If your school site receives a Concentration allocation, how will these additional resources be used to increase and improve services for these (EL/LI) populations? Why is that the best use?*

We would use these funds to develop inclusive practices, mainstream schedules and instruction strategies for our SDC, RSP and General Education students.

**Select the Bryk Essential that most align to the use of these funds:**
- Instructional Guidance (LCAP Priorities: Implement Standards, Pupil Achievement, Course Access)
- Professional Capacity (LCAP Priorities: Basic)
- Student-Centered Learning Climate (LCAP Priorities: Pupil Engagement, School Climate, Other Outcomes)
- Parent-School-Community Ties (LCAP Priorities: Parental Involvement)

#### Targeted Instruction Improvement Grant (TIIBG) 07040

**Allocation = $0**

*If your school site receives a TIIBG allocation, how will these additional resources be used to increase and improve services for these populations? Why is that the best use?*

We would use these funds to develop inclusive practices, mainstream schedules and instruction strategies for our SDC, RSP and General Education students.

**Select the Bryk Essential that most align to the use of these funds:**
- Instructional Guidance (LCAP Priorities: Implement Standards, Pupil Achievement, Course Access)
- Professional Capacity (LCAP Priorities: Basic)
- Student-Centered Learning Climate (LCAP Priorities: Pupil Engagement, School Climate, Other Outcomes)
- Parent-School-Community Ties (LCAP Priorities: Parental Involvement)

Describe 1-2 specific strategies and actions that each MTSS resource will pursue over the 2018-19 school year that you believe will accelerate the improvement of your school’s targeted groups/focal students.

- THE ASSISTANT PRINCIPAL AND SOCIAL WORKER IN COLLABORATION WITH THE PRINCIPAL WILL BE WORKING ON INCLUSIVE PRACTICES SYSTEMS FOR OUR SDC STUDENTS INCLUDING A ROBUST MAINSTREAMING SCHEDULE AND MTSS BEHAVIOR SUPPORT STRUCTURES.
SECTION V: Recommendations and Assurances

Please print these final two pages of your BSC/SPSA. Be sure that the principal has reviewed, checked, and initialed each assurance and that the principal and SSC president have signed the assurances page, and that all SSC members, along with their role & title, are listed in the roster.

The School Site Council has voted on this school plan and its related expenditures and passes it on to the district governing board for approval, assuring the board of the following:

- The SSC is correctly constituted, and was formed in accordance with district governing board policy and state law.
- The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the school plan requiring board approval.
- The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:
  - English Learner Advisory Committee (ELAC)
  - Community Advisory Committee for Special Education Programs
  - Other (list)
- The SSC reviewed the content requirements for school plans of programs included in this Balanced Scorecard/Single Plan for Student Achievement and believes all such content requirements have been met, including those found in district governing board policies, SFUSD’s strategic plan, and in the Local Improvement Plan.
- This school plan is based upon a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
- The school held two (2) community meetings prior to the completion of the school site plan.
  1. One meeting to gather input from the school community including all advisory committees.
  2. One meeting to present plan upon its completion before March 23, 2018.
- The SSC reviewed the impact of the school’s categorical programs and made alterations to these investments on the basis of student achievement data. This review was conducted on: 3/20/2018
- For Title I School-Wide Program Schools ONLY: Based on our comprehensive review of school data and program goals, our SSC elects to have our site continue as School-Wide Program.
- Our site has a process and budget for replacing lost or damaged textbooks as well as a process for managing textbooks to ensure that each student has standards-aligned textbooks or other required instructional materials to use in class or to use at home in order to complete required homework assignments.
- Our site uses an IEP Master Calendar to ensure compliance with Special Education timelines.
- This school plan was adopted by the SSC on: 10/5/2018
Please make sure the role listed clearly indicates whether the person is a principal, classroom teacher, other staff, parent, community member or student. Co-Chair and alternates can be identified in addition to role as listed above (i.e., “Teacher/Co-Chair” or “Parent/Alternate”)
