This liability shall not lie in the instances where the damages are caused by the sole negligence or intentional tort of the District or its employees.

7. It is expressly understood and agreed that in the event the contractor or the District fails to perform its obligations under this Agreement, this Agreement shall be terminated and all the contractor’s/District’s rights hereunder ended. Termination shall be upon ten (10) days written notice to the defaulting party, in which no work will be undertaken after the date of receipt of the notice. In the event this Agreement is terminated by the District pursuant to this paragraph, the contractor shall be paid for services performed up to the date of the termination.

Upon approval and payment of this invoice by the District, the District shall be under no further obligation to the contractor monetarily or otherwise.

8. Failure or refusal of the contractor to perform or do any act herein required shall constitute a default. In the event of any default, in addition to any other remedy available to the District, this contract may be terminated by the District. Such termination shall not waive any other legal remedies available to the District.

9. The contractor shall be deemed at all times to be an independent contractor and shall be wholly responsible for the manner in which he performs the service required of him under the terms of this
Agreement. The contractor shall be liable for any act or acts of his own, or his agents or employees, and nothing contained herein shall be construed as creating the relationship of employer and employee between the District and the contractor or their agents and employees.

10. This Agreement may be amended by the parties in writing by mutual consent. Changes, including any increase or decrease in the amount of the contractor's compensation, shall only be effective upon the execution of a duly authorized written amendment to this Agreement.

11. This Agreement shall be deemed to be made in, and shall be construed in accordance with the laws of the State of California.

12. The contractor shall not assign or delegate any portion of this contract without the written consent of the owner, but such consent does not relieve the contractor of its responsibilities under the contract.

13. Contractor understands the following and certifies that it does not know of any facts which constitutes a violation:
   a) Contractor hereby certifies that no current Board member or employee of the San Francisco Unified School District, and no one who has been a Board member or who has been employed by the San Francisco Unified School District within the past two years, has participated in bidding, selling or promoting this contract. Furthermore, contractor certifies that no such current or former Board member or employee has an ownership interest in this contract, nor shall any such current or former Board member or employee derive any compensation, directly or indirectly, from this contract. Contractor understands that any violation of this provision of the contract shall make the agreement voidable by the District.
   b) Government Code of the State of California, Section 87100 et. seq. Public officials; state and local; financial interest: No public official at any level of state or local government shall make, participate in making or in any way attempt to use his official position to influence a governmental decision in which he knows or has reason to know he has a financial interest.

14. In the event that either party shall cease conducting business in the normal course, become insolvent, make a general assignment for the benefit of creditors, suffer or permit the appointment of a receiver for its business or assets or shall avail itself of, or become subject to, any preceding under the Federal Bankruptcy Act or any other statute of any state relating to insolvency or the protection of rights of creditors, then at option of the other party, this Agreement shall terminate and be of no further force and effect, and any property or rights of such other party, tangible or intangible, shall forthwith be returned to it.

15. If any term or provision of this Construction Agreement Proposal shall be found illegal or unenforceable, then, notwithstanding, this Agreement shall remain in full force and effect and such term or provision shall be deemed stricken.

16. The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

17. Any interest of the contractor in studies, reports, memoranda, computation sheets or other documents prepared by the contractor in connection with services to be performed under this Agreement shall become the property of and will be transmitted to the District. However, the contractor may retain and use copies for reference and as documentation of its experience and capabilities.
18. Contractor agrees that it shall not discriminate on the basis of sex, race, religious creed, national origin, age, marital status, sexual orientation, gender identity, AIDS/ARC/HIV status, or disability, in its performance under this Agreement.

19. Contractor agrees to comply with Education Code, Section 45125.1, et. Seq. concerning fingerprinting employees and conducting criminal background checks through the California Department of Justice. The District is extending this requirement to all types of contractors if they are deemed to have more than limited contact with District students. The contractor shall assume all expenses associated with these background checks and shall immediately remove any employee or agent from District property who has been arrested or convicted of any serious or violent felony, as defined by the California Penal Code Sections 667.5 and 1192.7.

20. The District shall be the final arbiter of what constitutes “limited contact.” The District may also, in its sole discretion, waive these provisions if it determines that emergency or exceptional circumstances exist which threaten student or staff safety if the work is delayed pending clearance. The contractor’s violation of this section shall constitute a default under Section 12 herein.

21. If the construction cost of this project exceeds $1,000, then in accordance with California Labor Code Section 1771, not less than the general prevailing rate of per diem wages for work of a similar character in the City and County of San Francisco is performed, and not less than the general prevailing rate of per diem wages for holiday and overtime work as fixed by the California Department of Industrial Relations, shall be paid to all workers employed on this project.
In accordance with California Labor Code Section 1773.2, copies of the prevailing rate of per diem wages are on file at San Francisco Unified School District, Office of Labor Compliance, 135 Van Ness Avenue, Third Floor, San Francisco, California, 94102. Copies of the prevailing rates are available at the address above to any interested party on request during normal business hours.
