

ANNOUNCEMENT

REQUEST FOR OFFER PROPOSITION A 2016 BOND PROGRAM PROJECT NO. 11975

2017 E-rate Wireless Local Area Network (WLAN) Equipment Upgrade and Services

The San Francisco Unified School District, Department of Technology, is soliciting Request for Offers from authorized resellers on [NASPO ValuePoint Cooperative Agreement, Data Communications Products and Services](#), for **2017 E-rate Wireless Local Area Network Equipment Upgrade and Services**. The District hereby invites all interested authorized resellers to submit a bid to furnish all labor, requested materials, and any other related items required for performance under the RFO. Interested authorized resellers of the NASPO ValuePoint Cooperative Agreement must provide proof of eligibility and a signed copy of Attachment A, E-rate Supplemental Terms and Conditions with the bid response. Bidder responses that do not comply with the format, forms and other criteria indicated, may be ruled non-responsive.

Request for Offer information packages are available on Universal Service Administrative Company's (USAC) website at the link below, beginning **March 24, 2017**.

<http://www.usac.org/si/default.aspx>

For clarification questions regarding the RFO and/or F470 No. 170074618, please email HtunD@sfusd.edu and MHarken@cscentral.com by **Tuesday, April 4, 2017**.

All prospective bidders must acquire a "Service Provider Identification Number" (SPIN) from USAC. To obtain the SPIN from USAC, please follow the instructions provided by USAC on the following link.

<https://www.usac.org/si/service-providers/step01/default.aspx>

Proposals will be accepted electronically by E-mail to HtunD@sfusd.edu and MHarken@cscentral.com with the subject line, "**F470 No. 170074618**" by **Friday, April, 21, 2017 at 2:00pm (Local Time)**. San Francisco Unified School District is not responsible for any technical difficulties with the submission of the bid. Proposals received after the bid due time will not be considered.
