PROPOSITION A BOND PROGRAM
ENERGY MODELING SERVICES

The San Francisco Unified School District (SFUSD) wishes to create a pool of energy modeling firms to provide Zero Net Energy (ZNE) models at school sites slated to be funded by the 2016 Facilities Bond. **Statements of Qualifications (SOQs) are to be submitted via email to kaestnern@sfusd.edu by Friday, November 18, 2016 no later than 2:00 P.M.**

This request for SOQs seeks the following type of service providers:

Energy modeling firms to assess the feasibility of reducing energy usage at select school sites below an EUI of 20 kBtu/sf/yr, eliminating natural gas use entirely, and covering projected electricity needs with onsite solar.

Energy modelers must have experience working in California public schools and an existing business location within a 10-mile radius of the city limits of San Francisco, CA.

Request for Qualification information is available at the District Website:
