The San Francisco Unified School District (SFUSD) wishes to create a pool of energy modeling firms to provide Zero Net Energy (ZNE) models at school sites slated to be funded by the 2016 Facilities Bond. Statements of Qualifications (SOQs) are to be submitted via email to kaestnern@sfusd.edu by Friday, November 18, 2016 no later than 2:00 P.M.

This request for SOQs seeks the following type of service providers:

- Energy modeling firms to assess the feasibility of reducing energy usage at select school sites below an EUI of 20 kBTU/sf/yr, eliminating natural gas use entirely, and covering projected electricity needs with onsite solar.

- Energy modelers must have experience working in California public schools and an existing business location within a 10-mile radius of the city limits of San Francisco, CA.

Request for Qualification information is available at the District Website:

beginning Friday, October 14, 2016.
