Notice is hereby given to all prospective bidders that plans and specifications on the subject project are modified as hereinafter set forth. This Addendum shall be attached to and form a part of the plans and specifications. All bidders must acknowledge receipt of this addendum on the Bid Form. In case of difference with previous addenda or communications, this addendum takes precedence.

It is the responsibility of all bidders to notify all subcontractors from whom they request bids and from whom they accept bids of all changes contained in this addendum.

PROJECT MANUAL

1. Item No. PM-1
   Reference: 01010 – Summary of Work
   Description: Clarification on summary of work. Revise section 1.2.B "WORK COVERED BY CONTRACT DOCUMENTS" as follows:

   B. The Work consists of exterior site improvements.

      1. The Work includes but is not limited to: General landscape upgrades including but not limited to asphalt removal, painting, repair and sealing; carpentry; irrigation; install permeable pavers; degrubbing; install seating and wood logs.

      2. The Work also includes hazardous material abatement as described and specified in Appendix A of the Contract Documents.

2. Item No. PM-2
   Reference: 01010 – Summary of Work
   Description: Correction regarding other contracts. Revise section 1.7.B and 1.7.C "WORK UNDER OTHER CONTRACTS" as follows:

   B. Separate Contract: District will award a separate contract for performance of certain construction operations at Project site. Those operations will be conducted simultaneously with work under this Contract. This contract will include the following:
1. **Roofing contract is to be determined:** A separate contract will be awarded to roofing contractor to repair the roofing system at Aptos Middle School.

C. Cooperate fully with separate contractors so work on those contracts may be carried out smoothly, without interfering with or delaying work under this Contract.
