JOIN US FOR A BIG DAY OF HIRING at the Mayor's Youth Jobs+ Resource Fair!

Come with your resume and questions, and you could leave with your new job! Don't miss out on being in front of 100 Bay Area companies and organizations for a big day of hiring for summer and year round jobs.

Those who aren't quite ready for their next job will get loads of practice on their resume and interviewing skills. There's something for everyone!

We encourage you to arrive dressed to impress in your favorite business casual outfit. But if you don't have one, don't worry! Volunteers will be on hand to provide professional clothes to those who need it. Your next job could be waiting for you. Why wait to get it?
