Board Policy

Uniform Complaint Procedures

BP 1312.3

Community Relations

The Governing Board recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The Board encourages the early, informal resolution of complaints whenever possible and appropriate. To resolve complaints which cannot be resolved through such informal process, the Board shall adopt a uniform system of complaint processes specified in 5 CCR 4600-4670 and the accompanying administrative regulation.

The district's uniform complaint procedures (UCP) shall be used to investigate and resolve the following complaints:

1. Any complaint alleging district violation of applicable state or federal law or regulations governing adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs; (5 CCR 4610)
2. Any complaint alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, in district programs and activities against any person based on his/her actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55, or based on his/her association with a person or group with one or more of these actual or perceived characteristics in any program or activity conducted by the district, which is funded directly by, or that receives or benefits from any state financial assistance; (Government Code 11135, Education Code 200, 220, 234.1, 52075(e); 5 CCR 4622))
3. Any complaint alleging bullying in district programs and activities that is severe or pervasive physical or verbal conduct that places a student in reasonable fear of harm. Bullying includes cyber-bullying, intimidating, or bullying that is not based on a person's actual or perceived characteristic of, or association with, a protected class; (as listed above).
4. Any complaint alleging sexual harassment and/or other gender discrimination, in violation of Title IX of the Education Amendments of 1972, California Education Code section 220, or other applicable laws;

5. Any complaint alleging district violation of the prohibition against requiring students to pay fees, deposits, or other charges for participation in educational activities and/or LCAP; (Education Code 234.11, 49010, 5 CCR 4610, 4620-4621, 52075)
6. Any complaint alleging that the district has not complied with legal requirements related to the implementation of the local control and accountability plan; (Education Code 52075)
7. Any complaint alleging retaliation against a complainant or other participant in the complaint process or anyone who has acted to uncover or report a violation subject to this policy;
8. Any complaint alleging that a school is not meeting the minimum Physical Education minutes (400 minutes per 10 school days for high school and 200 minutes per 10 school days for 1-8th grade), as required by state law; (Education Code 51210-51212)
9. Any complaint alleging that a school is not allowing lactating students the appropriate time to address the needs related to breast-feeding; (Education Code 220)
10. Any Complaint alleging non-compliance with various laws providing education opportunities to foster students; (Education Code 48853, 48853.5, 49069.5, 51225.1, and 51225.2)
11. Any complaint alleging that a school has incorrectly placed a 9th-12th grade student in a course without educational content for more than one week in any semester, other than the acceptable prescribed conditions; (Education Code 51228.1, 51228.2, and 51228.3)
12. Any appeal of a student expulsion alleging that the Board of Education failed to meet state legal requirements as specifically described in Education Code 48922.
13. Any other complaint as specified in a district policy.

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process to reach a resolution to the complaint that is agreeable to all parties. One type of ADR is mediation, which shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

In filing and investigating complaints, the confidentiality of the parties involved shall be protected as required by law. As appropriate for any complaint alleging retaliation, unlawful

discrimination, or bullying, the Superintendent or designee shall keep confidential the identity of the complainant and/or the subject of the complaint, if he/she is different from the complainant, as long as the integrity of the complaint process is maintained.

When an allegation that is not subject to the UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall resolve the UCP-related allegation(s) through the district's UCP.

The Superintendent or designee shall provide training to district staff to ensure awareness and knowledge of current law and related requirements, including the steps and timelines specified in this policy and the accompanying administrative regulation.

The Superintendent or designee shall maintain records of all UCP complaints and the investigations of those complaints. All such records shall be destroyed in accordance with applicable state law and district policy.

Non-UCP Complaints

The following complaints shall not be subject to the district's UCP but shall be referred to the specified agency: (5 CCR 4611)

1. Any complaint alleging child abuse or neglect shall be referred to the County Department of Social Services, the County Protective Services Division, and the appropriate law enforcement agency.
2. Any complaint alleging health and safety violations by a child development program shall, for licensed facilities, be referred to Department of Social Services and shall, for licensing-exempt facilities, be referred to the appropriate Child Development regional administrator.
3. Any complaint alleging employment discrimination shall be sent to the California Department of Fair Employment and Housing and the compliance officer shall notify the complainant by first class mail of the transfer.
4. Any complaint alleging fraud shall be referred to the California Department of Education.

In addition, the district's Williams Uniform Complaint Procedures, AR 1312.4, shall be used to investigate and resolve any complaint related to sufficiency of textbooks or instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff, or teacher vacancies and misassignments. (Education Code 35186)
