The provisions of State Allocation Board regulation 1862.12.5(g) for implementation of Disabled Veteran Business Enterprise Goals shall apply to this SOQ.

I. INTRODUCTION TO RFQ SUBMITTAL PROCESS

The San Francisco Unified School District Bond Program is seeking SOQs from qualified Professional Cleaning Firms to develop a pool of firms to provide Specialized Post-Construction Cleaning services for the SFUSD Proposition A 2011 Bond Program. The Prop A 2011 Bond Program consists of over 40 modernization projects of varying sizes.

Cleaning Services are anticipated to start in winter 2013 and continue through summer 2017. Professional Cleaning firms must be able to start work immediately upon selection.

The provisions of State Allocation Board regulation 1862.12.5(g) for implementation of Disabled Veteran Business Enterprise Goals apply to this procurement.

SOQs shall be limited to 25 pages (resumes may be included as appendix). Three (3) bound copies of the Statement of Qualifications should be submitted in 8-1/2" x 11" format with any supporting materials or documentation in a sealed envelope and delivered or mailed to:

Fe Bongolan, Contracts Administrator
San Francisco Unified School District
135 Van Ness Avenue, Room 208
San Francisco, California 94102

A pre-proposal meeting shall be held on **November 4, 2013** at 1pm at 135 Van Ness Ave, Room 210.

All participating Professional Cleaning Services Firms must have an existing and working business location within a 60 mile radius of the city limits of San Francisco, CA.

All questions and comments must be in written format and addressed to Andrea Dawson, Project Manager, in writing via email to dawsona1@sfusd.edu or via fax at (415) 241-6152, Ext. 1555 by the close of business **November 7, 2013**.

The District must receive submitters' SOQ by 2:00 PM, November 13, 2013.

Late submittals will not be considered.

1. Methodology of Contracting for Janitorial Cleaning Services

The District will determine project assignments for the selected pool of Professional Cleaning firms. Contracts will be awarded to selected firms based on accepted project assignments and agreed to cost proposals. Being selected to the pool does not commit the District to contracting with any given firm nor does selection guarantee any work will be assigned.

Fees shall be negotiated based on the firm's project assignments and current standard billing rate as submitted in the SOQ.

2. Insurance Requirements

Each firm awarded a contract will be required to maintain, in full force and effect and at their own expense, insurance policies with companies certified with the California Insurance Commission. Please include the name of your insurance providers in your response. The following minimum insurance coverages are required in order for a firm/joint venture group to qualify for participation in these projects:

- Worker's Compensation Insurance (\$1 million)
- General Liability Insurance (\$1 million/per occurrence)
- Automobile Insurance (\$1 million/per occurrence)
- Professional Liability Insurance (\$1 million per occurrence and \$2 million aggregate)

If any policy is written on a Claims Made Form, the contractor must provide a project specific policy to continue the coverage for two (2) years beyond the date of the individual project completion.

Prior to issuance of a Notice to Proceed, each firm must provide the District with original "wet signature" certificate(s) of insurance that includes the following:

1. The San Francisco Unified School District and its Board, Officers and employees, shall be named as additional insured parties on General Liability and Automobile policies. Endorsements must be submitted with the certificate(s);
2. Should any of the above described policies be canceled before the expiration date thereof, the issuing company will provide written notice to the certificate holder a minimum of 30 days prior to said cancellation.

3. Description of Projects and Scope of Work

Professional Cleaning firms to provide specialized post-construction cleaning services, including personnel and all materials, equipment and tools required to complete the work. The services included post-construction detail cleaning not limited to classrooms, cafeterias, auditoriums, hallways, science labs, restrooms & staff areas. Work includes but is not limited to dusting windows, floor mopping, stripping & sealing, and associated furniture moving related to post-construction activities required to perform the work for the Prop A 2011 Bond Program projects. Services may include professional cleaning services for over 40 Bond projects involving modernization and minor additions to District school sites and other properties. Professional Cleaning firms must have experience and be able to demonstrate a history of success in providing professional cleaning services to California K-12 public schools, especially for post-construction activities.

The scope of District Standard Procedures is included in Exhibit A.

II. DISTRICT PROCESS FOR FIRM SELECTION

All Statements of Qualifications will be scored through a preliminary screening process that will include scoring outlined in Part III below, along with reference checks. Those firms who qualify for the short list through the preliminary screening process may be invited to participate in the final screening process, which will include an interview.

All questions and comments must be in written format and addressed to the District contact no later than 4 working days prior to the deadline date for submission of the SOQs.

III. SOQS AND EVALUATION CRITERIA

Please provide the following information in the order given below. SOQs will be carefully evaluated for completeness and ability to perform the work indicated based on the information provided in the following categories:

1. Introductory/Cover Letter (maximum length: 2 pages, 5 points max.).
Please provide information regarding the size of your firm, and include any joint venture, partnering, or subcontractors that you intend to include in your project team.
2. Professional Qualifications and Experience, Project Approach (40 points max.)
 - a) Firm information:
 1. The full name and address of the firm or project team. Confirm that the office is within 60 miles of the SFUSD facilities office located at 135 Van Ness Avenue in San Francisco.
 2. Name, email address and phone number of a designated contact person
 3. A brief description of your firm or team including a description of your typical services.
 4. Describe the firm or project team's professional qualifications and experience. Clearly demonstrate your ability to successfully furnish the services described in Exhibit A of this Request for Qualifications.
 - b) Staffing Approach:
 1. Provide the names and brief resumes of the supervisors, project managers and/or other key staff members who will comprise the management of your firm's project team and will oversee the work. Identify the number of licensed/certified members on your staff. Also, provide brief resumes for any key sub-contractors.
 2. Provide a narrative discussing your approach to staffing, sub-contractor management and delivering timely and quality professional cleaning services on multiple assignments running concurrently. Discuss your firm's understanding of the cleaning services required for these projects and provide an outline, organizational chart and/or description that clearly demonstrates:
 - a. Staffing/organizational chart – Explain your project team's ability to deliver the necessary staffing required to successfully deliver cleaning services that meet District Standard for at least **five (5) projects** running concurrently.
 - b. Provide you firm's ability to respond to request for cleaning on a Friday afternoon and staff up for the whole weekend.

- c. References - List of representative projects (minimum of 5 projects) undertaken in the last five years demonstrating your team's experience in delivering quality professional cleaning services. Include project title, description of services provided, project duration, owner contacts and telephone numbers. The District may or may not contact those listed on this reference list.
 - c) Quality Control - Your team's approach to quality assurance and your process for quality control.
3. Billing Rates and Fees (5 points max.)
Provide fee schedule with the hourly billing rates for each type of employee anticipated to be assigned to the project.
 4. DVBE Goals (5 points max.)
If your firm or team can meet DVBE goals, indicate how, either directly or through sub-contractors.
 5. Insurance (5 points max.)
Provide copy of current insurance coverage issued by the firm's Insurance carrier that meets minimum District requirements (see page 5, section I.2).
 6. Prior Claims (10 points max. and max. deduct 10)
Provide a complete listing of the formal (written) claims presented to the firm, joint venture partners, outside contractors, and/or subcontractors in the past three years. Include:
 - a. The name of the claimant.
 - b. A brief description of the claim.
 - c. The dollar value of the claim.
 - d. Whether the claim was accepted, rejected, or if settlement of any type was made in full or part without admission of guilt or negligence. If handling of the claim is still in process, clearly indicate "resolution pending".
 - e. End the list with statement "Under penalty of disbarment I certify this list to be complete and accurate." Have the statement dated and signed by a company principal or senior representative. In the case that the firm, joint venture partners, outside contractors, and/or subcontractors as a group do not have any errors or liability claims presented in the past three years submit the statement "Under penalty of disbarment I certify that firms, joint venture partners, outside contractors, and/or subcontractors represented by this Qualifications do not have any claims associated with errors or liability in the past three years.". Have this statement signed and dated by a company principal or senior representative.

IV. RFQ SCHEDULE and INFORMATION
