SECTION 00455

DESIGNATED SUBCONTRACTORS LIST

Bidder must list the name and location of each subcontractor who will be employed, the portion of work that each will perform, their License Number and Amount of Subcontract. **This information must accompany the bid proposal or the bid may be deemed non-responsive.** Bidder acknowledges and agrees that under Public Contract Code section 4100, et seq., it must clearly set forth below each subcontractor who will perform work or labor or render service to the Bidder in or about the construction of the Work (including any alternates and/or allowances listed) in an amount in excess of one-half of one percent (1/2 of 1%) of Bidder's total Bid, and that as to any Work that Bidder fails to list, Bidder agrees to perform that portion itself or be subjected to penalty under applicable law.

Pre-Qualification: All General Contractors and Mechanical, Electrical and Plumbing Subcontractors must be on the District Pre-Qualified Contractors List prior to bid day. Bids submitted by General Contractors who are not on the District's Pre-Qualified List prior to bid day will be rejected as non-responsive. Any Mechanical, Electrical and Plumbing Subcontractors (including C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43, and C-46) listed herein who are not on the District's Pre-Qualification List will cause the General Contractor's bid to be non-responsive.

In case more than one subcontractor is named for the same kind of Work, state the portion that each will perform. Vendors or suppliers of materials only do not need to be listed.

If further space is required for the list of proposed subcontractors, additional sheets showing the required information, as indicated below, shall be attached hereto and made a part of this document.
