2.8 Payment upon Termination. In the event that the District or Contractor terminates this Agreement pursuant to Section 8, the District shall compensate the Contractor for all outstanding costs and reimbursable expenses incurred for work satisfactorily completed as of the date of written notice of termination. Contractor shall maintain adequate logs and timesheets to verify costs incurred to that date.

2.9 Authorization to Perform Services. The Contractor is not authorized to perform any services or incur any costs whatsoever under the terms of this Agreement until receipt of authorization from the Contract Administrator.

2.10 Liquidated Damages. Failure of Contractor to respond to problems referred to it by District, or to complete the project within the time limits established in Subsection 1.1 of this Agreement shall result in liquidated damages payable at the rate of $_____ per day.
Section 3. FACILITIES AND EQUIPMENT. Except as set forth herein, Contractor shall, at its sole cost and expense, provide all facilities and equipment that may be necessary to perform the services required by this Agreement. District shall make available to Contractor only the facilities and equipment listed in this section, and only under the terms and conditions set forth herein. Contractor shall maintain the insurance policies required by this section throughout the term of this Agreement. The cost of such insurance shall be included in the Contractor's proposal. Contractor shall not allow any subcontractor to commence work on any subcontract until Contractor has obtained all insurance required herein for the subcontractor(s) and provided evidence that such insurance is in effect to District. Any deductible or self-insured retention shall not exceed $150,000 per claim.

4.3.2 Claims-Made Limitations. The following provisions shall apply if the professional liability coverage is written on a claims-made form:

a. The retroactive date of the policy must be shown and must be before the date of the Agreement.

b. Insurance must be maintained and evidence of insurance must be provided for at least 5 years after completion of the Agreement or the work, so long as commercially available at reasonable rates.

c. If coverage is canceled or not renewed and it is not replaced with another claims-made policy form with a retroactive date that precedes the date of this Agreement, Consultant shall purchase an extended period coverage for a minimum of 5 years after completion of work under this Agreement.

d. A copy of the claim reporting requirements must be submitted to the City for review prior to the commencement of any work under this Agreement.

4.4.2 Verification of Coverage. Prior to beginning any work under this Agreement, Contractor shall furnish District with complete copies of all policies delivered to Contractor by the insurer, including complete copies of all endorsements attached to those policies. All copies of policies and certified endorsements shall show the signature of a person authorized by that insurer to bind coverage on its behalf. If the District does not receive the required insurance documents prior to the Contractor beginning work, it shall not waive the Contractor’s obligation to provide them. The District reserves the right to require complete copies of all required insurance policies at any time.
4.4.3 **Deductibles and Self-Insured Retentions.** Contractor shall disclose to and obtain the written approval of District for the self-insured retentions and deductibles before beginning any of the services or work called for by any term of this Agreement. At the option of the District, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the District, its officers, employees, and volunteers; or the Contractor shall provide a financial guarantee satisfactory to the District guaranteeing payment of losses and related investigations, claim administration and defense expenses.

4.4.4 **Wasting Policies.** No policy required by this Section 4 shall include a “wasting” policy limit (i.e. limit that is eroded by the cost of defense).

4.4.5 **Waiver of Subrogation.** Contractor hereby agrees to waive subrogation which any insurer or contractor may require from vendor by virtue of the payment of any loss. Contractor agrees to obtain any endorsements that may be necessary to affect this waiver of subrogation.

The Workers’ Compensation policy shall be endorsed with a waiver of subrogation in favor of the entity for all work performed by the Contractor, its employees, agents, and subcontractors.

4.4.6 **Subcontractors.** Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and certified endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

4.5 **Remedies.** In addition to any other remedies District may have if Contractor fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, District may, at its sole option exercise any of the following remedies, which are alternatives to other remedies District may have and are not the exclusive remedy for Contractor’s breach:

- Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under the Agreement;
- Order Contractor to stop work under this Agreement or withhold any payment that becomes due to Contractor hereunder, or both stop work and withhold any payment, until Contractor demonstrates compliance with the requirements hereof; and/or
- Terminate this Agreement.

its failure to comply with any of its obligations contained in this Agreement, except such Liability caused by
the willful misconduct of District.

The Contractor’s obligation to defend and indemnify shall not be excused because of the Contractor’s
inability to evaluate Liability or because the Contractor evaluates Liability and determines that the
Contractor is not liable to the claimant. The Contractor must respond within 30 days, to the tender of any
claim for defense and indemnity by the District, unless this time has been extended by the District. If the
Contractor fails to accept or reject a tender of defense and indemnity within 30 days, in addition to any
other remedy authorized by law, so much of the money due the Contractor under and by virtue of this
Agreement as shall reasonably be considered necessary by the District, may be retained by the District
until disposition has been made of the claim or suit for damages, or until the Contractor accepts or rejects
the tender of defense, whichever occurs first.

Notwithstanding the forgoing, to the extent this Agreement is a “construction contract” as defined by
California Civil Code Section 2782, as may be amended from time to time, such duties of Contractor to
indemnify shall not apply when to do so would be prohibited by California Civil Code Section 2782.

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services
under this Agreement is determined by a court of competent jurisdiction or the California Public Employees
Retirement System (PERS) to be eligible for enrollment in PERS as an employee of District, Contractor
shall indemnify, defend, and hold harmless District for the payment of any employee and/or employer
contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well
as for the payment of any penalties and interest on such contributions, which would otherwise be the
responsibility of District.

be an independent contractor and shall not be an employee of District. District shall have
the right to control Contractor only insofar as the results of Contractor’s services rendered

this Agreement shall not qualify for or become entitled to, and hereby agree to waive any
and all claims to, any compensation, benefit, or any incident of employment by District,

by District for employer contributions and/or employee contributions for PERS benefits.

Contractor understands and agrees that if District grants such an extension District shall have no obligation to provide Contractor with compensation beyond the maximum amount provided for in this Agreement. Similarly, unless authorized by the Contract Administrator, District shall have no obligation to reimburse Contractor for any otherwise reimbursable expenses incurred during the extension period.

8.3 Amendments. The Parties may amend this Agreement only by a writing signed by the Parties.

8.4 Assignment and Subcontracting. District and Contractor recognize and agree that this Agreement contemplates personal performance by Contractor and is based upon a determination of Contractor’s unique personal competence, experience, and specialized personal knowledge. Moreover, a substantial inducement to District for entering into this Agreement was and is the professional reputation and competence of Contractor. Contractor may not assign this Agreement or any interest therein without the prior written approval of the Contract Administrator. Contractor shall not subcontract any portion of the performance contemplated and provided for herein, other than to the subcontractors noted in the proposal, without prior written approval of the Contract Administrator.

8.5 Survival. All obligations arising prior to the termination of this Agreement and all provisions of this Agreement allocating liability between District and Contractor shall survive the termination of this Agreement.

All reports, data, maps, models, charts, studies, surveys, photographs, memoranda, plans, studies, specifications, records, files, or any other documents or materials, in electronic or any other form, that Contractor prepares or obtains pursuant to this Agreement and that relate to the matters covered hereunder shall be the property of the District. Contractor hereby agrees to deliver those documents to the District upon termination of the Agreement. It is understood and agreed that the documents and other materials, including but not limited to those described above, prepared pursuant to this Agreement are prepared specifically for the District and are not necessarily suitable for any future or other use. District and Contractor agree that, until final approval by District, all data, plans, specifications, reports and other documents are confidential and will not be released to third parties without prior written consent of both Parties.

9.2 Contractor’s Books and Records. Contractor shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the District under this Agreement for a minimum of 3 years, or for any longer period required by law, from the date of final payment to the Contractor to this Agreement.

9.3 Inspection and Audit of Records. Any records or documents that Subsection 9.2 of this Agreement requires Contractor to maintain shall be made available for inspection, audit, and/or copying at any time during regular business hours, upon oral or written request of the District. Under California Government Code Section 8546.7, if the amount of public funds expended under this Agreement exceeds $10,000.00, the Agreement shall be subject to the examination and audit of the State Auditor, at the request of District or as part of any audit of the District, for a period of 3 years after final payment under the Agreement.

The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.

10.4 **No Implied Waiver of Breach.** The waiver of any breach of a specific provision of this Agreement does not constitute a waiver of any other breach of that term or any other term of this Agreement.

10.5 **Successors and Assigns.** The provisions of this Agreement shall inure to the benefit of and shall apply to and bind the successors and assigns of the Parties.
