I. INTRODUCTION TO RFQ SUBMITTAL PROCESS

The San Francisco Unified School District Bond Program is seeking SOQs from qualified Professional Cleaning Service Providers to develop a pool of providers to provide professional cleaning services for the SFUSD Proposition A 2011 Bond Program. Selected Professional Cleaning Service Providers shall be an advocate for the District and represent the best interests of the owner in the performance of services and quality. The Prop A 2011 Bond Program consists of over 40 modernization projects of varying sizes included in Exhibit B.

Professional Cleaning Services are anticipated to start in summer 2012 and continue through summer 2017. Professional Cleaning Services Providers must be able to start work immediately upon selection, in order to provide professional cleaning services for the upcoming 2012 summer projects.

The provisions of Public Contract Code Sections 10115 et seq. as defined in the State Allocation Board regulation 1862.12.5(g) for implementation of Disabled Veteran Business Enterprise Goals shall apply to projects in this program.

SOQs submitted shall be limited to 20 pages and provide three (3) bound copies of the Statement of Qualifications should be submitted in 8-1/2” x 11” format with any supporting materials or documentation in a sealed envelope and delivered or mailed to:

Fe Bongolan, Contracts Administrator
San Francisco Unified School District
135 Van Ness Avenue, Room 217
San Francisco, California 94102

Pre-proposal meeting shall be held on March 13, 2012 at 2pm at 135 Van Ness Ave, Room 210.

All questions and comments from Professional Cleaning Service Providers must be in written format and addressed to William Chow, Project Manager in writing via email to choww@sfusd.edu or via fax at (415) 241-6635 by the close of business March 20, 2012.

Applicants shall submit Qualifications by 2:00 PM, March 30, 2012.
Late submittals shall not be considered.

1. Methodology of Contracting for Professional Cleaning Service Providers Services and Basis of Fees

The District will create a pool of Professional Cleaning Service Providers from which the District can award specific projects. Selection will be made based on Statement of Qualifications received and reference checks. SOQ’s will be ranked based on points indicated below. Project assignments will be determined at a later date. Contracts will be awarded based on approved cost proposals.

2. Insurance Requirements

Provide copy of current insurance coverage issued by Consultant’s Insurance carrier that meets minimum District requirements:

Each firm awarded a contract will be required to maintain, in full force and effect and at their own expense, insurance policies with companies certified with the California Insurance Commission. Please
include the name of your insurance providers in your response. The following minimum insurance is required in order for your firm/joint venture group to qualify for participation in these projects:

- Worker’s Compensation Insurance ($1 million)
- General Liability Insurance ($1 million/per occurrence)
- Automobile Insurance ($1 million/per occurrence)
- Professional Liability Insurance ($1 million per occurrence and $2 million aggregate)

If any policy is written on a Claims Made Form, the consultant must provide a project specific policy to continue the coverage for two (2) years beyond the date of the individual project completion.

Prior to issuance of a Notice to Proceed, each firm must provide the District with original “wet signature” certificate(s) of insurance that includes the following: The San Francisco Unified School District and its Board, Officers and employees, shall be named as additional insured parties on General Liability and Automobile policies. Endorsements must be submitted with the certificate(s).

Should any of the above described policies be canceled before the expiration date thereof, the issuing company will provide written notice to the certificate holder a minimum of 30 days prior to said cancellation.

3. Description of Projects and Scope of Work

The scope of each contract will be specific for each project. Professional Cleaning Services Providers shall provide all labor and materials required to perform the work. Projects include Professional Cleaning Services to provide District Standard cleaning services for specific school sites, classrooms, cafeteria, auditorium, hallways, science lab, restrooms & staff areas. Work includes, but is not limited to, floors, windows, floor mopping, stripping & sealing, and associated furniture moving required to complete the services for the Prop A 2011 Bond Program projects. All work shall be completed per the District Standard Professional Cleaning Procedures included in Exhibit A.

II. DISTRICT PROCESS FOR PROFESSIONAL CLEANING SERVICES PROVIDER SELECTION

The District will create a pool of Professional Cleaning Service Providers from which it can assign specific projects. All SOQ’s will be scored through a preliminary screening process which will include Part III below and may include contact of references.

The District will accept written questions and comments from prospective providers from March 13 through March 20, 2012 close of business. Addenda will be posted to the web site after March 23, 2012.

The District reserves the right to make a selection anytime during the selection process in the event that the District can readily make a clear determination and selection from the proposals.

III. CONTENTS OF PROPOSALS AND EVALUATION CRITERIA

E. Johnson Diversey Alpha Multi Surface Cleaner is a E.P.A. registered germicidal cleaner and deodorizer appropriate for use in public school buildings.

F. All other cleaners shall be specifically designed for the purpose intended, safe for use on the intended object to be cleaned, and safe to students, staff and the public.
PART 3 – EXECUTION

3.1 FINAL AND END-OF-PHASE CLEANING

A. General: Provide final cleaning at the final project completion as notified by the District project managers. Conduct cleaning and waste-removal operations to comply with local laws and ordinances and Federal and local environmental and antipollution regulations.

B. Cleaning: Employ professional cleaning service for final cleaning. Clean each surface or unit to condition expected in an average commercial building cleaning and maintenance program. Comply with manufacturer’s written instructions.

1. Complete the following cleaning operations before requesting inspection for certification of entire Project:

   a. Clean Project site, yard, and grounds in areas disturbed by construction activities including landscape development areas, of rubbish, waste material, letter, and other foreign substances.

   b. Sweep paved areas broom clean. Remove petrochemical spills, stains, and other foreign deposits.

   c. Rake grounds that are neither planted nor paved to a smooth, even-textured surface.

   d. Remove tools, construction equipment, machinery, and surplus material from Project site.

   e. Clean exposed exterior and interior hard-surfaced finishes to a dirt-free condition, free of stains, films, and similar foreign substances. Avoid disturbing natural weathering of exterior surfaces. Restore reflective surfaces to their original condition.

   f. Horizontal surfaces: All horizontal surfaces must be dusted and/or washed until free of dust and grime.

   g. Furnishings and equipment:

      1) Remove all gum and sticky substances from all surfaces. Wash all furniture and equipment with a neutral cleaner. Use specialized cleaner appropriate for wood and/or excessively dirty surfaces.
2) Dust all machinery and equipment located in any shop area.

3) Clean all chalkboards and chalk rails by washing with water and/or chalkboard cleaner. Re-chalk chalkboards after completing cleaning process.

4) Clean exterior of all locked lockers and interior of unlocked ones.

5) Graffiti must be removed from all furnishings and equipment.

h. Walls: Wash all wall surfaces with detergent and water. Remove all graffiti. All restroom walls should be washed with a disinfectant cleaner.

i. Doors: Wash all doors, frames and hardware.

j. Floors:

   1) Resilient Floors (except linoleum flooring) – Clean and refinish flooring, using appropriate procedures and finishes/sealers. Strip existing wax from all existing resilient flooring (using appropriate safety measures as recommended by the E.P.A. for any tile containing asbestos) and re-wax as follows:

      - Classrooms, offices, and rooms - two coats of wax.
      - Corridors - Three coats of wax.

      These floors should be scrubbed with detergent – not stripped. Seal as recommended by flooring manufacturer and re-wax as indicated above.

2) Concrete Floors - Scrub using water and detergent.

3) Ceramic Floors - Scrub using water and detergent.

4) Wood Floors - Clean, screen and apply gym seal per manufacturer's recommendation. All gym seal to be approved by Custodial Services Department.

   Recommended product: Johnson Diversey Wood Care Ultra Low Odor by Waxie Company.

5) Carpeted Floors - Vacuum all carpets and clean by hot water extraction.

   Recommended product: Waxie Green Fiber Can #2 Shampoo Solution by Waxie Company
6) Other Floors - Marble, terrazzo and rubber floors should be cleaned and refinished using appropriate procedures and finishes/sealers.

k. STAIRS: All stairs to be scrubbed with detergent including walls, handrails and ledges. Finish not to be applied to stairs unless necessary and approved by the District (Custodial Services Department).

I. RESTROOMS: Thoroughly clean and disinfect all surfaces and fixtures. Remove all foreign objects from walls/ceilings and eliminate all graffiti. Specifications provided above for fixtures, walls and floors are applicable.

m. Remove debris and surface dust from limited access spaces, including roofs, plenums, shafts, trenches, equipment vaults, manholes, attics, and similar spaces.

n. Sweep concrete floors broom clean in unoccupied spaces.

o. Vacuum carpet and similar soft surfaces, removing debris and excess nap; shampoo if visible soil or stains remain.

p. Clean transparent materials, including mirrors and glass in doors and windows. Remove glazing compounds and other noticeable, vision-obscuring materials. Polish mirrors and glass, taking care not to scratch surfaces.

q. Remove labels that are not permanent.

r. Touch up and otherwise repair and restore marred, exposed finishes and surfaces. Replace finishes and surfaces that cannot be satisfactorily repaired or restored or that already show evidence of repair or restoration.

1) Do not paint over “UL” and similar labels, including mechanical and electrical nameplates.

s. Wipe surfaces of mechanical and electrical equipment, elevator equipment, and similar equipment. Remove excess lubrication, paint and mortar droppings, and other foreign substances.

t. Replace parts subject to unusual operating conditions.

u. Clean plumbing fixtures to a sanitary condition, free of stains, including stains resulting from water exposure.

v. Clean exposed surfaces of diffusers, registers, and grills.

w. Clean all new and existing light fixtures, lamps, globes, and reflectors to function with full efficiency. Leave Project clean and ready for occupancy.
C. Final Inspection: Any surface still exhibiting dirt, graffiti or dust shall be re-cleaned/re-stripped/refinished until free of dirt, graffiti or dust.

D. Comply with safety standards for cleaning. Do not burn waste materials. Do not bury debris or excess materials on District’s property. Do not discharge volatile, harmful, or dangerous materials into drainage systems. Remove materials from Project site and dispose of lawfully.
