

Pre-Approval of Credits For Salary Classification Change

Per Quality Teachers and Education Act (Prop A) - Effective August 1, 2008, teachers receiving additional salary credit placement for academic units shall have those units reviewed by the Human Resources Department, or District designee, for the purpose of seeing that they advance the subject area or credential of the individual. Academic units determined not to advance the subject or credential area of the individual will not be counted for classification purposes. In cases of dispute, the Chief Administrative Officer or designee shall make the final determination.

Credit earned in the following manner will be acceptable for salary classification purpose and **shall be pre-approved in order to receive credit:**

- ♦ Accredited university or college courses
- ♦ In-services courses, equivalent to college or university courses for a specified number of units.
- ♦ Courses in specialized schools

All teachers must submit **official transcripts** carrying the embossed seal of the degree-granting institution to the SFUSD Salary Office. **Photocopies will not be accepted.** Pre-approval must be obtained before commencement of the course or unpaid professional development activity.
