

RAVE Team Nominee

Team Members: Staff

Department/School: John Yehall Chin Elementary School

Why are you nominating this team? I am nominating this team for the way they rally together on a daily basis in order to better the lives of our students at John Yehall Chin Elementary School. I am nominating this team because they are simply, in one word, fabulous!

What are some of the positive qualities that distinguish this team's work? This team not only works fabulously together, they also play together away from school. That brings the team even closer together! When adversities tried to tear the team apart, the team rallied.

Please give us a specific example of something that this team did/does that you would like to recognize: The staff at John Yehall Chin work cohesively with one another to solve issues when they arise. Despite past challenges, this team has become even more cohesive than ever.

Is there anything else you would like to tell us about why you think this team should be recognized? John Yehall Chin has been recognized as a California Department of Education Title I Academic Achievement Award School and a National Blue Ribbon School. Despite these accolades, this team remains humble, focused, and ever so persistent about the important work that we do with our students every single day.
