

RAVE Nominee

Name: Sarah Pooner

Department/School: Aptos Middle School

Title: Teacher

Why are you nominating this employee?

She is always generous in her help to keep the 7th grade teacher's language arts department on a monthly-curricular-track with new ideas and activity suggestions, and always a ball of positive energy (when fielding questions or concerns about a student or teacher issues).

What are some of the positive qualities that distinguish this employee's work?

Super management of curriculum. Always positive and prepared. Puts her heart into the teaching with the kids and teachers.

Please give us a specific example of something that this employee did/does that you would like to recognize:

She might put a post-it on my door in the morning to remind me of a 7th grade morning meeting because she knows I'm absent minded.

Is there anything else you would like to tell us about why you think this employee should be recognized?

She studied at Aptos as a student, went to Lowell, and now she's teaching at Aptos. Young, right out of college, and under control, Sarah is the brightest, young-star teacher I have ever met; mature beyond her years (a real mench, as we say in Yiddish).
