Excerpts from the Board of Education Rules and Procedures, P120, Article II.

1.1 These rules shall govern the order of business of the Board and shall constitute policy of the Board.

1.1.1 These Rules shall be reviewed and readopted as a Special Order of Business at the first Regular Board meeting of the year.

3.1 There shall be at least one student delegate within the membership of the Board pursuant to Ed. Code Section 35012. That commencing with the 2000-2001 academic school year, two students will sit on the Board of Education, one student delegate appointed by the Student Advisory Council and the other elected by the students of San Francisco through a democratic process approved by the Student Advisory Council.

3.2 The student delegates may cast an advisory vote on all matters decided by the Board at all regular and special meetings. Such advisory votes will be cast at the beginning of voting rotation so that the “advice” of student representatives may be considered by Board Members as they cast their votes. The advisory vote shall not be included in determining whether a measure before the Board carries, but it shall be recorded in the official minutes.

4.1.1 The Board shall meet in regular session on the second and fourth Tuesday of each month at 6:00 p.m. in the place designated by the Board and shall adjourn no later than 10:00 p.m., or upon completion of the item under discussion at that time, unless extended by majority vote.

9.2 The Superintendent and Board Members may introduce resolutions for First Reading during the “Superintendent’s Proposals – First Reading” and “Board Members’ Proposals – First Reading” sections of the agenda, respectively. Upon introduction, the resolution shall automatically be referred to committee. The President shall determine to which committee the resolution shall be referred. The Board may not discuss or take action on a resolution introduced for First Reading at that meeting.

XVIII
9.3 Members of the public may address the Board on a resolution that is intended to be introduced for First Reading and referred to committee, or a resolution previously referred to or before a committee that has not been returned to the Board for action, after the introduction of resolutions for First Reading. Members of the public may also address the Board on a resolution introduced for First Reading at the appropriate committee. The Chair may limit the time for public comment on all resolutions for First Reading to a maximum of 5 minutes for Superintendent's First Readings and 5 minutes for Board Members' First Readings and 1 minute per speaker or as may be reasonable under the circumstances.

9.4 The Board may suspend Rule 9.2 and consider a resolution introduced for First Reading immediately if five (5) members of the Board approve such motion and the agenda notifies the public that the resolution may be acted upon immediately at that meeting. If the Board suspends the rules to consider a resolution immediately, members of the public may comment on the resolution without the necessity for a "Request to Speak" before the Board considers the resolution.

11.2 Each person requesting to address the Board on agenda items calendared for Board action or on matters other than those calendared for Board action shall be granted such requests provided a "Request to Speak" is telephoned into the Office of the Board of Education the Monday or Tuesday of the meeting prior to 4:30 p.m. or an individual completes a "Speaker Card", prior to the item being called, on the evening of the meeting.

11.3 Substitution of speakers will not be permitted unless a designated alternate is submitted with the request to speak.

11.4 Maximum time allowed each speaker is two minutes. Any speaker requiring language translation shall be allowed a maximum of two minutes to speak and two minutes for translation. The District will provide translation in at least Chinese and Spanish and, if possible and with adequate notice, in other languages.

11.5 The Board President, with the approval of the Board, can modify the time permitted for speakers and public comment.

11.6 A speaker shall be ruled out of order for failing to speak on the subject matter for which the privilege of the floor was granted.

11.7 Time for total public testimony and/or Board debate shall be limited to 30 minutes unless the time is extended by majority vote and may be continued after all items have been considered. Public testimony will be heard no later than 7:30 p.m. or until the item under discussion is completed.

11.8 Individuals requesting to speak who were held over from a previous meeting shall be the first called at the next regular meeting.

12.4 Debate or action on Board members' proposals and Superintendent's proposals upon being duly moved and seconded at First Reading, unless referred to a committee, shall be held on calendar for Second Reading at the next regularly scheduled meeting of the Board.

14.1 No speaker at any meeting of the Board or its committees shall make any abusive, threatening or harassing personal remarks or charges against any officer or employee of the District or against any Board member, with the consequence of, first, a verbal warning and, second, the loss of speaking rights on the matter under discussion.

14.2 Charges or complaints against any officer or employee of the District may be made in writing, signed by the person making the charge and submitted to the District's Legal Office.

14.3 Cardboard, paper or cloth placards may be brought into the Board meeting room only if they are not larger than three feet by three feet and have no wood, metal or other type of holding device.

14.4 Pursuant to Government Code Section 54957.9, the President may order the Board meeting room cleared if violence or verbal harassment disrupts the orderly process of the meeting.

Resolution of Commendation

Subject: Resolution No.

In Commendation to Lisa Spinali, Executive Director of the
San Francisco Education Fund
- Commissioner Emily M. Murase

WHEREAS: For the past five years now, Lisa Spinali has led the San Francisco School Volunteers and then the combined San Francisco Education Fund/San Francisco School Volunteers as the Executive Director, focusing the work on tackling the barriers to academic achievement by partnering with teachers, students, principals, District leaders, City Agencies, and community volunteers; and,

WHEREAS: Her career thus far has been dedicated to expanding community investment in public education since she graduated from the Harvard Business School, beginning with a position at American Express where she was on loan to Americorps, the pioneering program to engage young people as teachers in public schools nationwide, where she worked to develop and implement the program. Ms. Spinali then worked on the startup team of the Omidyar Foundation made possible by the founders of Ebay, before joining San Francisco School Volunteers; and

WHEREAS: Since 1963, the San Francisco School Volunteers has promoted volunteerism among community members in our public schools, creating meaningful opportunities for volunteers to support classrooms; and, since 1979, the San Francisco Education Fund, has created important private sector partnerships to expand resources to classrooms. Drawing on the distinct strengths of each organization and after many months of careful work under the leadership of Ms. Spinali, these two respected organizations were merged into a single San Francisco Education Fund; and

WHEREAS: Together with the Board of Directors of the Education Fund, this Board of Education acknowledges that Ms. Spinali served as “the visionary that spearheaded the integration of programs in creating a powerful combination of program offerings to support our local public schools.”

THEREFORE BE IT RESOLVED: That the Board of Education of the San Francisco Unified School District commends Lisa Spinali for her distinguished tenure at the San Francisco Education Fund and wishes her its best on her future endeavors.

RECOMMENDATION:

That the Board of Education approve this modification to the Master Agreement between McCarthy Building Companies, Inc. BACKGROUND:

The original Master Agreement is for construction management services for various building improvement projects related to the passage of San Francisco Unified School District's Proposition A 2006 Bond Program and provided for the costs of the preconstruction phase at Jefferson CDC, Jefferson ES, Ulloa ES, and Lawton ES. Additional projects and construction management phases were to be added through Board-approved modification of this Master Agreement. Subsequent modifications were for the construction and close out phases for Jefferson CDC and ES, Ulloa ES, and Lawton ES. It will also support pre-construction, construction and close out phases at Hoover MS, Lakeshore ES, Sunset ES, APTOS MS, Alice Fong Yu ES, Noriega CDC, Francis Scott Key and School Health Programs.

Due to cancellation of the modernization project at 43rd Avenue and the early completion of the project at Alice Fong Yu, this modification credits the District the amount of $50,746.00 because construction management services are longer needed at the sites.

or other comments: The opportunity to secure nationally recognized trainers in Community Schools over Spring Break for our newly hired Community School Coordinators was a rare one, and essential to staying on track for SIG requirements, especially given the late funding start of the project. Deputy Superintendent Carranza was consulted on this short turn-around opportunity.

SERVICE/PROGRAM DESCRIPTION: (What the service and program description are; why the services are required; how the services will benefit the District)

114-26K2

This request fulfills SIG Project requirements for developing SIG sites as Community Schools by having trainers from the Children’s Aid Society’s National Center for Community Schools provide two-days of workshop-based training to our newly hired cadre of SIG Community School Coordinators. In order to seize the opportunity to work with these nationally recognized trainers over Spring Break this is a retroactive K-Reso request. Deputy Superintendent Carranza was consulted on his advice we are preparing this as a retroactive K-Reso for Administrative Approval.

The first morning was a plenary “Advanced Basics” of Community Schools session. The PM focused on the Community School Coordinators and their role within a Community Schools effort. On day two the focused PD continued with an AM session on Forging Effective Partnerships and aligning these with the core instructional program and then, in the PM, on Parent and Community Relations. Examples and video case studies from sites nationally were incorporated and several tools for organizing work and services were provided. Costs cover 2 trainers for two days plus a half-day charge for travel time and one prep day and then related travel costs.

The leadership of SIG and the Principals of participating schools reviewed Summer Session options and rated AIM HIGH at the top of the list as a Middle School option. The program is award-winning. It is highly aligned to SFUSD’s goals of Access and Equity as well as high academic achievement and the creation of a College-Going culture for underserved, low-income learners. As one example of evidence of AIM HIGH’s efficacy: Aim High implemented new math curriculum at all 12 sites in 2010, and results were strong and promising. Over five weeks, students improved their scores on math assessments by an average of 15%—the equivalent of shifting a grade from a C (75%) to an A- (90%). Aim High’s 8th graders began the school year better prepared for algebra, increasing their scores by an average of 22% over the summer.
