e. Exceptions to the Normal Work Week:

(2) Educational and Training Courses – Regular permanent civil service employees may, on a voluntary basis with approval of the Departmental Manager, work a forty-hour week in six days when required in the interest of furthering the education and training of the employees.

(3) Employees shall receive no compensation when properly notified (2 hr. notice) that work applicable to the classifications is not available because of inclement weather conditions, shortage of supplies, traffic conditions, or other unusual circumstances.

(4) Employees who are not properly notified and report to work and are informed no work applicable to the classification is available shall be paid for a minimum of two hours.

(5) Employees who begin their shifts and are subsequently relieved of duty due to the above reasons shall be paid a minimum of four hours, and for hours actually worked beyond four hours, computed to the nearest one-half hour.

2. Alternative Work Schedule

By mutual agreement, the District and Union may enter into cost equivalent alternate work schedules for some or all represented employees. Such alternate work schedules may include, but are not limited to, core hours flex-time; full-time work weeks of less than five (5) days; or a combination of features mutually agreeable to the parties. Such changes in the work schedule shall alter the basis for, or entitlement to, receiving the same rights and privileges as those provided to employees on five (5) day, forty (40) hour a week schedules.

AMERICAN WITH DISABILITIES ACT

The American with Disabilities Act of 1990 (ADA) prohibits discrimination against persons with disabilities in many areas including employment in state and local governments. It is the policy of the San Francisco Unified School District to comply with the ADA.

The ADA covers “qualified individuals with disabilities” and defines them to be individuals with a disability who meet the skills, experience, education, and other job-related requirements of a position held, and who, with or without reasonable accommodation, can perform the essential functions of the job.

A person with disability, according to ADA, is an individual who has a physical or mental impairment that substantially limits one or more of the person’s major life activities. Major life activities include seeing, hearing, breathing, walking, speaking, learning, working, caring for oneself, and performing manual tasks.

Reasonable accommodation is a modification or adjustment to a job or work environment, which enables a qualified individual with a disability to equal employment opportunity. An employer must provide reasonable accommodation to the known physical or mental limitations of a qualified individual with a disability unless the accommodation would pose an undue hardship. This accommodation need not be the specific accommodation requested by the employee.

An employee may request a reasonable accommodation by notifying the employee’s supervisor, personnel officer, or department head. If an employee cannot be given an accommodation in the employee’s current class in the current department, the employee may contact the Human Resources Department for consideration of an ADA transfer.

Medical examinations for persons with a disability must be job-related and justified by business necessity. Tests for illegal use of drugs, however, are not medical examinations under the ADA and are not subject to ADA restrictions. Also, an employer may require medical documentation to evaluate a request for reasonable accommodation. This medical-related information shall be confidential, except for those supervisors, safety personnel, compliance officers, or other specified individuals who have the need to know.

An employee requesting a reasonable accommodation will complete the “Request for Reasonable Accommodation” Packet and follow the procedures outlined. The District will contact the employee making the request for reasonable accommodation and engage in the interactive process regarding the request for reasonable accommodation. The employee may request union representation at any meetings to discuss the request for reasonable accommodation. The District will be advised of the attendance of union representatives at meetings. This District will meet with the union representatives to discuss the reasonable accommodation process and procedures on an as needed basis. In no event shall the meetings contemplated herein to cause the District to be untimely in processing an employee’s ADA request.
APPENDIX C

FAMILY CARE AND MEDICAL LEAVE

It is the intent of this provision to be consistent with Government Code section 12945.2 and the Family and Medical Leave Act of 1993, and it shall be interpreted so that there will be no violation of those statutes.

1. An employee with more than one (1) year of continuous service with the District, who has worked at least 1,250 hours during said year and who is eligible for other leave benefits of this Agreement shall be granted, upon written request, an unpaid family care leave up to a total of four (4) months in any twenty-four (24) month period, of twelve (12) weeks per year, pursuant to the provisions contained herein.

1.1 For purposes of this section the term “family care and medical leave” means either:

1.1.1 leave for reason on the birth of a child of the employee, the placement of a child with an employee in connection with the adoption of the child or foster care of the child of the employee, or the serious illness of a child of the employee;

1.1.2 leave to care for a parent or spouse who has a serious health condition; or

1.1.3 leave because of serious health condition that makes the employee unable to perform the functions of the position of that employee, except for leave taken for disability on account of pregnancy, childbirth or related medical conditions.

2. An unpaid family care and medical leave shall be treated as any other unpaid leave. During an unpaid family care and medical care, an employee shall retain employee status with the District, and such leave shall not constitute a break in service. An employee returning from an unpaid family leave and medical leave shall have no less seniority than when the leave commenced.

3. If an employee’s need for an unpaid family care and medical leave is foreseeable, the employee shall provide the District with at least thirty (30) days of advance notice; for unplanned absences, the employee shall provide the District with reasonable advance notice of the need for such leave.

4. The District requires that an employee’s request for an unpaid family care and medical care leave for the purpose of caring for a child, spouse or parent who has a serious health condition or for the employee’s own serious health condition be supported by a written certification issued by the health care provider of the family member requiring care. This written certification must include the date on which the serious health condition commenced and the probable duration of the condition. For a leave based upon caring for a child, spouse or parent who has a serious health condition the written certificate must have an estimate of the amount of time the health care provider believes the employee needs to care for the individual requiring care, and a statement that the serious health condition warrants the participation of a family member to provide care during a period of the treatment or supervision of the individual requiring care.

For a leave based on the employee’s own serious health condition, the written certification must include a statement that the employee is unable to perform the functions of his or her position.

Upon said request and certification, the District may agree to extend the Family Care and Medical Leave for a full year, provided that the District contribution for employee health insurance benefits (see Item #9, below) shall not extend beyond the statutory twelve (12) week leave period.
5. In any case in which the District has reason to doubt the validity of the certification provided pursuant to this section, the District may require, at the District’s expense, that the employee, or as appropriate the employee’s spouse, child or parent, obtain the opinion of a second health care provider. The second health care provider may not be employed on a regular basis by the District. If the opinions of the first and second health care provider differ, the District may require a third opinion, again the District’s expense, from a health care provider mutually agreed upon by the District and the employee. The third opinion shall be final and binding.

6. Definitions

6.1 For the purposes of this section and consistent with current law, the term “child,” means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of an employee standing in loco parents who is either under eighteen (18) years of age or an adult dependent child.

6.2 For purposes of this section and consistent with current law, the term “parent” means biological, foster, in-law, or adoptive parent, a stepparent or a legal guardian.

7. If an employee applies for a family care and medical leave, the employee can elect, or the District may require, the substitution of paid vacation or other paid leaves to which the employee is entitled. If such paid leave is substituted, the employee is required to comply with the contractual requirements for use of such paid leave.

8. An employee granted a leave under this provision shall have a right to reinstatement to his/her former classification if such classification still exists, which the person held immediately before commencement of a leave; with equivalent benefits, pay, and other working conditions provided by this Agreement. If the former classification no longer exists, he/she shall be placed in a lower or lateral classification in which he/she had previously served and in which he/she holds greater seniority than other incumbents in said class.

9. An employee taking unpaid family care and medical leave pursuant to this section shall continue to be entitled to participate in District health insurance benefits, if eligible and if enrolled, to the same extent and under the same conditions as apply to other eligible, enrolled active employees receiving said benefits. The District may recover the premium that it paid as required by this subdivision for maintaining coverage for the employee under the group health plan if both of the following conditions occur:

9.1 The employee does not return to District service for a number of days equal to the duration of the family care and medical leave.

9.2 The employee’s failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to family care and medical leave or other circumstances beyond the control of the employee.

10. Family care and medical leave may be taken in one (1) or more periods. Leave may be taken in increments of at least one (1) day for recurring medical treatment certified by a health care provider.

11. This policy shall not be construed to entitle the employee to receive disability benefits under Part I (commencing with Section 3201) of Division 4 of the Labor Code (Workers’ Compensation).
