

## Parent/Community SBAC Technology Resources

In the spring of 2014-2015, all students will take Smarter Balanced Assessments, a new computerized state test. To be successful, it is important that your child has the technological skills necessary to show mastery on grade level standards.

### → Checklist of Skills by Grade

Locate your child's grade in the chart below to see which technology skills are important at each grade level.

SBAC Technology Skills		K	1	2	3	4	5	6	7
Basic Operations	Turn on a computer and login	I	R	M					
	Use pointing device such as a mouse to manipulate shares, icons; click on urls, radio buttons, check boxes; use scroll bar	I	R	M					
	Use desktop icons, windows and menus to open applications and documents	I	R	M					
	File management - saving documents	O	I	R	M				
	Explain and use age-appropriate online tools and resources (e.g. tutorial, assessments, web browser)		I	R	M

	Use note-taking skill while viewing online videos and using play, pause, rewind and stop button						I	R	M

I - Introduce      R- Reinforce      M-Mastery (ability to teach others)      O- Optional for grade level

### → **SBAC Technology Skills Practice:**

Students should master most skills for SBAC by the 5th grade. The SFUSD EdTech team has created a kid-friendly site for students and families to learn and practice these technology-related skills.
