

QUESTION & ANSWER (Q&A)

(POSTING 09/26/2016)

ITEM	QUESTION	ANSWER
1	<p>For the Bid for projectors would you consider Promethean? I would love to send them out there to do a demo If you would consider it?</p>	<p>The Bid is requesting for the bidder to provide an adequate cost effective projector to handle the functionality of 65" Interactive Panel being offered in the bundle. The District would like to request that the projector offered is from a leading manufacturer's in the industry.</p>
2	<p>We are looking to respond to the SFUSD RFP for (16) 65" flat panel interactive units and wanted to know if you have any specific manufacturer preference for this request? The specs requested are somewhat general and it would help to know if you are already looking at a specific model #. Let us know. Thanks.</p>	<p>The Bid is requesting for the bidder to provide an adequate cost effective bundle for the items listed in the BID with their minimum requirements. The District would like to request that the equipment manufacturers offered is from a leading manufacturer's in the industry.</p>
3	<p>Need your clarification related to the referenced IFB: 1) Will you be using your currently owned operating systems or we should add that in our offer?</p>	<p>The Bid is requesting for the bidder to provide an adequate cost effective PC computer, running Windows 10, and components to maintain the functionality of the 65" interactive Panel being offered in the bundle. The District would like to request that the equipment manufacturers offered is from a leading manufacturer's in the industry.</p>
4	<p>We are interested to participate in the above bid. I have question about the Blu-Ray player/recorder. Do you need an external Blu-Ray player/recorder or built in with the PC?</p>	<p>The Bid is requesting for the bidder to provide an adequate cost effective internal Blu-Ray player/recorder for the PC computer. The District would like to request that the equipment manufacturers offered is from a leading manufacturer's in the industry.</p>
