TO: ALL BIDDERS

Bidders are advised that the following provisions of RFQ/P No. PMDS-2018, Prepared Meal & Delivery Services, have been amended by this Addendum No. 8 and will supersede the corresponding terms and/or conditions of the RFQ/P, as set forth in this Addendum No. 8.

All terms and conditions of the RFQ/P that are not amended by this Addendum No. 8 shall remain the same as set forth in the RFQ/P.

Please note the following changes to the subject RFQ/P proposal before submitting your offer.

A signed and dated copy of this Addendum No. 8 must accompany your proposal.

The following is affected by this Addendum No. 8: **Attachment “2” – Scope of Services**

Attachment “2” – Scope of Services:

Section 1. MEALS – The subsection 1.4 Offer vs. Serve of the Scope of Services which was updated in Addendum No. 7 is modified as follows:

1.4. Offer vs. Serve. Vendor shall ensure that all meals furnished comply with the offer platform of "Offer vs. Serve" pursuant to the USDA-approved Food-Based Menu planning platform with meal sizes of K-5, 6-8, and 9-12. Under Offer vs. Serve, students may not decline more than two (2) food items at lunch and one (1) food item at breakfast, and must select one (1) fruit or vegetable at each meal. It is the District's objective to have children consume more, not less, of all meal components.

SFUSD utilizes Offer versus Serve at many of our school sites. This results in fruit usage of approximately 80% and vegetable usage of approximately 25%. We expect our vendor to provide ample fruits and vegetables for all meals offered to students, so that we are in compliance with the requirement to offer all required components for each meal. Vendors may consider this fruit and vegetable usage when submitting their bids.
