3. Prices should be clearly written by typewriter or pen and ink.

BONDS

4. Before the acceptance of any Purchase Agreement Proposal, the Purchaser may require the bidder to file a corporate surety bond for the faithful performance of the Contract. Bonds are subject to approval of the Director of Fiscal Services as to sufficiency and qualifications of sureties.

ALTERNATES

5. When the name of manufacturer, brand, or make, with or without model number, is used in describing any item in Purchasing Agreement Proposal, bids for equal articles will be considered unless otherwise stated, but the Purchaser shall be the sole judge as to whether such alternate articles are acceptable. Unless the bidder states to the contrary, articles offered would be assumed to be the specific articles named in the proposal. If not offering the specific article named, bidder should enclose with bid full information, specifications and descriptive data on items offered.

6. The Purchaser reserves the right to permit deviations from the specifications if an article offered is substantially in accord with the specifications and is deemed by the Purchaser to be of as good quality and as fully satisfactory for its intended use as an article fully meeting specifications. Unless exceptions are noted by bidder, the article offered will be assumed to be in accord with specifications.

SAMPLES

7. Articles offered as equal to District sample must fully conform thereto; said District samples may be inspected at the place designated by the Purchaser.

9. Each sample shall be plainly marked in a durable manner with the name of the bidder; the Purchase Agreement Proposal Number, and the item number.
10. Submitted sample will be assumed to be exactly what bidder proposes to furnish unless otherwise clearly indicated by the bidder. The Purchaser will determine sufficiency of sample.

15. Purchase Agreement awarded under this proposal may be assigned only with the approval of the Purchaser. See item #42 for additional details.

INFRINGEMENTS – INDEMNIFICATION

16. The Contractor shall assume the defense of all claims and suits against the District, its officers and agents, for infringement of the patents, copyrights, or trademarks of any person arising out of the use by District, its officers or agents, or any article supplied under this Purchase Agreement Proposal, and the Contractor shall indemnify and hold harmless the District, its officers and agents, from any and all liability, loss, or damage arising from such claims or suits.
