

QUESTIONS AND ANSWERS

SFUSD Science Core Curriculum Print and Kit Materials

IFB No. MCC-0610500217

Posted: 05/26/2017

1. Can you provide the samples?

District Response: Please see Addendum 4 – Attachment G.

2. When does the Science Curriculum Bid due, June 2nd or May 31st?

District Response: Please see Addendum 3. Bid is due by May 31st at 2:00PM.

3. Attachment C – There is an “*” under the Physics section that said: “*Teacher guide estimates were calculated as being 25% less than the wraparound version page count.” What wraparound are you referring to? Are you referring to the student booklets?

District Response: Please disregard this * note – It explains the calculation but isn’t relevant for the bid.

4. Attachment C – Special Printing: Are you expecting the special die cuts to remain collated? These are all the ones that say “Yes” on the “cutting?” column.

District Response: We are not sure if there will be funding to outsource the cutting. It should be performed but not collated.

5. Can you better define what the below 2 things needed are?

6	6th Grade	SCALE	6	6.4.1 Growth of Plants	Spring	Craft supplies for animal and plant models	Consumable	Lab Ma- terials	Kit
---	-----------	-------	---	------------------------------	--------	--	------------	--------------------	-----

6	6th Grade	SCALE	6	6.3.3	Spring	SCRAP Materi- als Bag variety of craft materials for cell and car model tasks	Consumable	Lab Ma- terials	Kit	1
---	-----------	-------	---	-------	--------	---	------------	--------------------	-----	---

District Response: Please download the AnswerToQuestion5 excel file in the SFUSD Science Core Curriculum Print and Kit Materials bid section - <http://www.sfusd.edu/en/doing-business-with-sfusd/current-invitations-for-bids.html> for answer.
