# SFUSD Science Core Curriculum 2017–2018 Lab Equipment

This document describes a material distribution job for which we are seeking competitive bids.

## General description

SFUSD teachers have developed a 6–12 Science Curriculum that aligns with the new CA Next Generation Science Standards. This curriculum is entering its first year of revision and implementation and will be launching in grade 6 and 9. We are seeking one contractor to provide the lab equipment necessary to teach the curriculum.

### Lab Equipment Distribution:

During the first year of implementation, all of the permanent materials will be provided to schools. The lab equipment job described below consists of two phases:

1. Analyzing the Data
2. Preparing and assembling the materials
3. Delivery of the materials

## **LAB EQUIPMENT JOB: DETAILED DESCRIPTIONS OF EACH PHASE**

### **1) Analyzing the data**

For the purposes of this bid, vendor shall use data from the following spreadsheets:

#### **School Material Need Projections:**

- A. [SFUSD Lab Equipment Quantity List by School](https://docs.google.com/spreadsheets/d/1rewhXry_o342JHTE9IJjU9TLr_4RnN4x6Yr2h6g6oGA/edit#gid=2096096505)

- B. [Item Descriptions](https://docs.google.com/document/d/1SNLcTF7cEUrJNqFPseBR3Sppq7Aqnb8hM8vQAqNTv68/edit)  
<https://docs.google.com/document/d/1SNLcTF7cEUrJNqFPseBR3Sppq7Aqnb8hM8vQAqNTv68/edit>

### **2) Preparing and assembling the Materials**

Vendor shall be responsible for ordering the materials, assembling them in an easy to ship manner and planning for delivery. Each of these must be done in close communication with the Science department.

#### **Preparation of Materials**

Successful completion of this job requires all materials to be delivered to the appropriate school sites. Vendor must pay close attention to the contents and quantities needed for each school site. All materials must be coded in a way that allows for teacher ease of use and distribution

on-site.

### Assembly of Materials

Below is specific information for the assembly of middle and high school boxes.

- Items should be delivered in as few boxes as possible that are light enough for a person to carry. **Boxes will be assembled and delivered to all schools no later than the week of November 13-17, 2017.**

### Labeling of Job

- Each box should also be labeled with the contents inside the box. For example: SFUSD Biology, Light Microscopes.
  - The 3 courses are:
    - SFUSD 6<sup>th</sup> Grade Science
    - SFUSD Biology
    - SFUSD Physics 9-10

Vendor will need to label job according to specifications delivered by the Science Department.

This includes specifications as to:

- School Name
- Name of the Course (SFUSD 6<sup>th</sup> Grade Science, SFUSD Physics 9-10, SFUSD Biology)
- And these directions "Please distribute these materials to you \_\_\_\_ (Name of the course) science teachers!"

If the items are ordered directly from other vendors and shipped to schools, the contents may not be custom labeled on the outside. In that case, the name of the course should be included in the address line. For example:

Balboa High School  
% Kristin Kyper  
SFUSD Physics 9-10  
1000 Cayuga Avenue  
San Francisco, CA 94112

### 3) Delivery of the Lab Equipment Delivery

Vendor will deliver the boxes to specified schools to arrive as soon as possible. Deliveries must be made within each school's standard hours of operation (typically 8-3pm) and should be an inside delivery. All deliveries should include comprehensive packing slips and vendor will get signatures at each school to be able to provide confirmation of all deliveries.

Upon shipment, all tracking numbers will be emailed to Sarah Delaney ([delaneys@sfusd.edu](mailto:delaneys@sfusd.edu)). Additionally, her phone number, 415-742-2136, should be listed as a point of contact for the shipper to avoid miss-delivery of items.

### Delivery Deadlines

- **Middle and High schools – Week of November 13 - 17, 2017.** If, for any reason, items will not arrive before November 17, delivery must be delayed until November 27, as all

SFUSD schools will be closed from November 18-26

- School delivery times are 8am to 3pm Monday-Friday
- C. [Delivery Addresses](#)

#### Payment Information

Vendor will bill after each round of delivery is done.

- **Bid should include an additional 10% increase cost in order to account for incidental additional expenses, including but not limited to additional deliveries or shipping costs**
- **Bid should include all applicable taxes**

#### Bid Variations

We are requesting a bid range to include the numbers based on the attached spreadsheets and an additional bid reflecting a 10% increase in the numbers.
