ALTERNATES

When the name of a manufacturer, brand or make, with or without model number, is used in describing any item, bids for equal articles will be considered unless otherwise stated, but the Purchaser shall be the sole judge as to whether such alternate articles are acceptable. Unless the bidder states to the contrary, articles offered will be assumed to be the specific articles named. If not offering the specific article named, bidder should enclose with bid full information, specifications and descriptive data on items offered.

The Purchaser reserves the right to permit deviations from the specifications if an article offered is substantially in accord with the specifications and is deemed by the Purchaser to be of as good quality and as fully satisfactory for its intended use as an article fully meeting specifications. Unless exceptions are noted by bidder, the article offered will be assumed to be in accord with specifications.

SAMPLES

Articles offered, as equal to "District sample" must fully conform thereto, said "District samples" may be inspected at the place designated by the Purchaser. Samples must be furnished as required. These submitted by successful bidders may be retained for testing or checking against deliveries in which case allowance will be made to the contractor.

Each sample shall be plainly marked in a durable manner with the name of the bidder, the quotation number, and the item number.

Submitted sample will be assumed to be exactly what bidder proposes to furnish unless otherwise clearly indicated by the bidder.

Sufficiency of sample will be determined by the Purchaser.

Sample shall not be enclosed with quotation, and quotation shall not be wrapped in package with sample.

INFRINGEMENTS-INDEMNIFICATION

The Contractor shall assume the defense of all claims and suits against the District, its officers and agents, for infringement of the patents, copyrights, or trademarks of any person arising out of the use by the District, its officers or agents, or any article supplied under this quotation. And the Contractor shall indemnify and hold harmless the District, its officers and agents, from any and all liability loss, or damage arising from such claims or suits.

The Contractor agrees to hold the City and county of San Francisco and/or the San Francisco Unified School District harmless from any and all claims and liabilities for damage to all persons including but not limited to employees of the Contractor, arising out of and in the course of the performance of this agreement.
