135 Van Ness, Conference Room 210

Questions and Answers – RFQ/P No. UFFVPP-2019

Below are the questions that SFUSD has received regarding IFB No. UFFVPP-2019 and the District’s responses to these questions.

Questions Received at the Bid Conference on April 18, 2019:

1. Can you provide clarification regarding the last column in the Attachment B – Bid Sheets?

   **District Response**: This allow us to compare pricing fairly for all vendors because we know pricing can fluctuate a lot throughout the season.

2. Can you consider removing processed products from Attachment B – Bid Sheets?

   **District Response**: Yes, we will remove processed products from Attachment B – Bid Sheets. We will also update the samples requirement. We will issue an addendum for these changes.

3. Can you consider removing Bid Bond as a requirement to submit with the proposal?

   **District Response**: Yes, we will remove Bid Bond as a requirement to submit with the proposal. We will issue an Addendum for this change.

4. Can you add in a column in the Attachment B – Bid Sheets for the source location of the products?

   **District Response**: Vendors can provide the information in Attachment G.
5. With regard to quick access items for expedited deliver on Page 6 – Item# 10 Substitutions, we would need a week to fulfill order?

**District Response:** We place an order with a week requirement for delivery.

6. Is organic preferable over convention products?

**District Response:** We accept both products and determine them based on pricing.

7. Can you confirm contract value is $150,000?

**District Response:** Yes.
