Introducing Willie L. Brown Jr. Middle School, where we create unique learning experiences and strive to find every student’s spark. From an extended school day and year to an on-site health center to electives such as computer science, world languages, and digital art, the Willie Brown experience is anything but ordinary. Add to that our top academics, interactive approach to learning, and welcoming community environment, and you’ve found the place your child will be sure to thrive: Willie Brown Middle School.

**TOP ACADEMICS.**

**HANDS-ON APPROACH.**

At Willie L. Brown, Jr. Middle School, our job is to prepare students to transform the 21st century and to make learning fun through our:

- Commitment to academic excellence and college-bound culture
- Interactive, engaging learning experiences
- Personalized approach to teaching
- Engineering and technology-enhanced curriculum

Our brand new, state-of-the-art campus is twice as large as before, has the only middle school science laboratory in the city, and is outfitted with a premier wireless infrastructure to support student devices.

**A WELCOME PLACE FOR ALL.**

Located in the Bayview neighborhood, Willie Brown is designed from the ground up to be a safe, fun space for the entire community. We offer:

- Classes for parents
- On-site multi-lingual translation
- A range of after-school programs

Your child will feel at home from the first day thanks to our diverse student body and engaging faculty, who are committed to developing strong relationships with students and their families. Come visit us and see for yourself!
