- **HOW is the Lowell application process incorporated in the application process for other SFUSD high schools?**
- In addition to Lowell, each student may apply for any number of other SFUSD high schools on the general SFUSD Enrollment Application. All requested schools including Lowell should be listed in your order of preference. (Lowell is not required to be your first choice)
 - Applicants indicating Lowell as a first choice will be considered for assignment to other schools only if they do not qualify for Lowell. This is determined *before* the assignment run.
 - Applicants who list one or more other high schools as higher preferences than Lowell and who meet Lowell admission criteria will receive a Lowell assignment only if they cannot be assigned to a higher ranked choice.
 - If the applicant has an older sibling at another school, and requests that school as the first choice, they will be assigned to the sibling's school and their Lowell application will not be considered. If they list Lowell as a higher choice, but do not qualify for Lowell, they will still retain the sibling priority.
- **WHERE can I pick up and submit my completed applications?**
- You may obtain the Lowell Application and the general SFUSD Enrollment Application at Lowell High School, all SFUSD middle and K-8 schools, most San Francisco non-public middle schools, and the Educational Placement Center (555 Franklin Street, room 100).
