NASA Astronaut to Visit Galileo High School

WHAT

Former astronaut Dan Bursch and current extravehicular activity flight manager Bridget Ziegleaar will be talking with selected students at Galileo High. The visit will be viewed by the rest of the school via closed-caption television, which will be produced by students enrolled in the Media Arts Pathway at Galileo.

WHEN

Monday, March 12 / 11:30 a.m.-12:15 p.m. (Zieglaar)
1:00 - 2:00 p.m (Bursch)

WHERE

Galileo High School / 1150 Francisco St.

WHO

• NASA astronaut Dan Bursch
• NASA extravehicular activity flight manager Bridget Ziegleaar
• Norman Yee, SFUSD Board President
• Sandra Fewer, SFUSD Board Commissioner
• Hydra Mendoza, SFUSD Board Commissioner
• Dr. Emily Murase, SFUSD Board Commissioner

WHY

Students were selected to visit with Bursch and Ziegleaar for their interest in the field of science, and the selected students will be quizzing both on their career paths and experiences. Dan Bursch and a fellow astronaut currently hold the U.S. space flight endurance record of 196 days in space.

AUDIO/ VISUAL:

Bursch will be sharing a multimedia presentation to show the work he has done in space.
