WHY  For over 20 years, Longfellow has participated in the Jump for Heart fundraising event, which raises awareness and funds for the American Heart Association. The school typically raises up to $5,000 each year, and the tradition has created an avid practice of jump roping at the school during recess all year long.

This year several grades have been studying Bhangra and Bollywood-style dancing which is accessible for a wide range of ages and skill levels. The dance will be performed in a ‘flash mob’ style at the beginning of the event.

AUDIO/ VISUAL:  Four hundred students dancing Bollywood-style and approximately 600 students double-dutching, and more as they jump rope to music.
