Seamless Summer Feeding Option 2016

USDA Seamless Summer Program offers a free meal to any youth under the age of 18. This is to ensure as many students continue to receive healthy meals while school is out during the summer. Student Nutrition Services (SNS) provides meals to various summer programs operated on SFUSD campuses.

Guideline:
1. Generally, each school will be served breakfast and lunch. A single program (only program on site) has the option to choose a different set of meal service: lunch and snack.
2. Summer meals are provided at no cost to the students or program. Site Coordinators will order what is needed for their program students. However, leftovers will be tracked and billed at the following rate:
   a. Breakfast: $1.50
   b. Lunch: $3.00
   c. Snack: $0.80
