Goldfish Cheddar Crackers/ Fruit 27	RF Honey Wheat Crackers/ String Cheese 28	Multigrain Ranch Rumbles/ Fruit 29	Goldfish Pretzels/ Fruit 30	

### Did You Know?

Do you know what makes string cheese stringy? It's natural chemistry! When mozzarella cheese is heated to 140 degrees, it becomes stretchy and the milk proteins move around and line up in a row, which makes the cheese naturally stringy!
