

Does Your Child Need Help?

Special Education Assessment Information

Does your child need Special Education or Assessment for Special Education? All children develop at different rates and in different ways. If you think that your child may have a disability in one or more of the following areas:

- Autism
- Deafness
- Hearing Impairment
- Multiple disabilities
- Other health impairment
- Speech or language impairment
- Visual impairment
- Deaf/Blind
- Emotional disturbance
- Cognitively Impaired
- Orthopedic impairment
- Specific learning disability
- Traumatic brain injury

Please contact one of the following:

Birth to 3

Golden Gate Regional Center Hotline Number (English, Spanish and Cantonese): 1-888-339-3305 Email: intake@ggrc.org

3 to 5 yrs

Contact Pre-School Intake Unit at (415) 379-7693

In a SFUSD public school

Contact the school Principal

In a S.F. private/parochial school

For psycho-educational assessments, contact Screening and Assessment Center at (415) 379-7607.

For all other evaluations, (e.g. speech, occupational therapy, etc.) contact SFUSD Special Education Services at (415) 379-7656.

Note: State and Local Educational Agencies are responsible for initially assessing children and students who are referred for suspected disabilities from birth through 18 years. Some of these children and students **may be eligible** to receive Special Education Services. Students who are enrolled in private/parochial schools are assessed by the school district in which the private or parochial school is located.
