The San Francisco College Access Center in collaboration with E4FC and Mission High School is hosting a Financial Aid event for AB540 undocumented students and their families.

The event will include:
- A Presentation on the California Dream Application
- Information about scholarships that do not require SSN's
- A Workshop to help students fill out the CA Dream Application

All presentations and materials will be available in Spanish and English. We will also be providing food and drinks for our guests. Please join us to learn how to pay for your college education!
