

AFTER SCHOOL LEARNING PROGRAM

FACT SHEET

The After School Learning Program provides safe alternatives to after school hours.

Historical Background: The After School Learning and Safe Neighborhoods Program was initiated by the Legislature in 1998 (SB 1756) which provides funds to establish local after school education and enrichment programs. The programs provides academic and literacy support and safe, constructive alternatives for students in kindergarten through ninth grade.

What is the program? The After School Learning Program provides a safe place for students to go after school, as well as opportunities for education and enrichment. The three components of the program include the following:

1. Educational and Literacy Program: Students study Reading, Math, Writing, Science, Social Studies, Computers, Art and Music.
2. Enrichment and Recreational Program: Students participate in Intramural Sports, Physical Education, Arts and Crafts, Cooking, Dance, Aerobics and field trips.
3. Positive, Safe and Healthy Environment Program: Students participate in Life skills, Diversity Programs, Drug and Violence Education, Conflict Mediation, Multiple Intelligence Curricula, Counseling and Anger Management.

Current Status: The program is currently in 42 elementary and 16 middle schools.
