The School Accountability Report Card (SARC) is required by law to be published annually, by Feb 1st each year. It contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF), all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP) which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For more information about the school, parents and community members should contact the school principal or district office.

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners).

Internet access is available at public libraries and other locations that are publicly accessible.

About This School

School Description and Mission Statement

This section provides information about the school's goals and programs.

We envision Argonne students who desire and have the ability to utilize their minds in a critical, creative manner, and experiment with new ideas. Argonne provides an academic program based on the core values of interdisciplinary teaching, multiple intelligences, and the development of creative and critical thinking. Our extended year calendar provides us time for enrichment activities, field study trips, as well as project based learning aligned to the California Standards. Teachers meet regularly at grade and cluster levels to review the curriculum, look at student work, and implement new strategies to enable all students to be successful. Our students and teachers validate many cultures and ethnicities represented in our school community. This validation is seen at school wide events, instruction, and curriculum in classrooms.

Section A (Conditions of Learning) begins on next page.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Without Full Credential	0	0	1	310
Teaching Outside Subject Area of Competence	0	0	0	91

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, and Availability of Textbooks and Instructional Materials

For High Schools (grades 9-12)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. Class sets of health instructional materials were provided for high school health teachers. In addition, other Board-adopted core curriculum materials were provided to remedy all insufficiencies identified through a survey and other activities at the annual Instructional Materials Hearing at the October 9, 2018 meeting of the Board of Education. All adopted high school instructional materials have been evaluated and determined locally to meet state standards for grades 9-12. Appropriate science laboratory equipment is available for all laboratory science courses.

For Elementary and Middle Schools (grades K-8)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and adopts K-8 materials from the list of standards-aligned materials that have been adopted by the State Board of Education. The district provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. For 2018-2019, instructional materials were provided for all students in grades K-8. Replacements were provided for core curriculum areas as identified through a survey and other activities preceding the annual Instructional Materials Hearing at the October 9, 2018 meeting of the Board of Education.

For complete lists of adopted textbooks, go to:

Additional Comments:

School Facility Conditions and Improvements

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Argonne's building was constructed in 1997. The facility is well maintained. The school has a multi-purpose room, computer lab, and lovely library. All the rooms are well lit and convenient to restrooms and stairways. There are three play area spaces. The hallways are full of students' art, writing samples, and other projects making the environment of the school very colorful. At this time, no major facility improvements are planned. We are presently looking at ways we can "green" both the inside and outside of our building. We are currently in planning for a large mural to be created on the outside wall of our multi-purpose room.

Part B (Pupil Outcomes) begins on the next page.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

California Assessment of Student Performance and Progress Results for All Students

Subject	Percent of Students Meeting or Exceeding State Standards					
	School		District		State

Mathematics (grades 3-8 and 11)	70	68	50	50	37	38

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

See Subject - Subgroup results on next pages:

CAASPP Assessment Results - English Language Arts (ELA)
Grades Three to Eight and Grade Eleven (School Year 2017-18)

Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded

English Learners	69	67	97.1	43.28
Students with Disabilities	32	30	93.75	23.33
Migrant Education Services				
Foster Youth				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students that did not receive a score is 10 or less, either because the number of students is too small for statistical accuracy or to protect student privacy.

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Note: Math test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students that did not receive a score is 10 or less, either because the number of students is too small for statistical accuracy or to protect student privacy.

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

CAASPP Test Results in Science for All Students

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science (Gr 5,8 and high school)	--	--	--	--	--	--

Note: The 2016-17 and 2017-18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administrated operationally during the 2018-19 school year. The California Alternative Assessment (CAA) for Science was pilot-tested for two years (i.e., 2016-17 and 2017-18) and will be field-tested in 2018-19.

Courses for University of California and/or California State University Admission

This table displays for the most recent year two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in and completion of courses required for UC/CSU admission can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Part C (Engagement) begins on the next page.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Graduation Rate				84.9	86.5	73.1	82.3	83.8	82.7

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan - Most Recent Year

This section provides information about the school's comprehensive safety plan.

The school has a Safe School Plan that addresses traffic, yard safety, and regular school health events. All members of the community work to create a school-wide culture of mutual respect, social awareness and service while addressing bullying, name-calling and teasing. We are a Caring School Community School. This program consists of class meetings and buddy classrooms. Many students have been trained to be "Peacekeepers" at our recesses and lunch periods. Our learning support professional works with students learning social skills. We celebrate the cultural/racial diversity of our school. In an agreement with City College, we have student nurses helping students throughout some of the school year.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

	School			District			State		
Subject	15-16	16-17	17-18	15-16	16-17	17-18	15-16	16-17	17-18

Expulsions				0.01	0.01	0	0.09	0.09	0.08

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

This section provides information about opportunities for parents to become involved with school activities.

Our governance model allows for families to be involved in all of the operations of the school. Our governing committees are made up of parents and teachers. As members of our decision making processes the parents of Argonne help to determine our school's academic focus and budget expenditures. Parents/guardians volunteer in classrooms, go on field trips, do fundraising, organize school events, and take on projects. Parents teach an Art in Action curriculum in our kindergarten through third grade classrooms. School greening and safety committees have been started. Parents organize two major events: the Argonne Field Day in October and Mayfair in May. Family members are always welcome in the school and are regularly found in the building helping out or simply talking to each other.

If you are interested in parental involvement opportunities, please contact the principal at the school:

Section D - Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

This table displays by grade level the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Academic Counselors and Other Support Staff (School Year 2017-18)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time. Note: For various reasons, including funding sources and employees serving multiple locations, many of the staff in these positions are listed as working at central administrative offices, and so, will not show up under a particular school's staffing count. This includes the following FTE: Counselors - 11.8, Librarians - 31.6, Nurses - 55.3, Psychologists/Social Workers - 111.6 and Resource Specialists - 155. If additional information is needed regarding staffing in these particular support roles, please contact the school.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2016-17)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. The option to report expenditures and salaries for the benefit of all schools in the district equally has been used. Detailed information regarding school expenditures and teacher salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil Supplemental	Expenditures Per Pupil Basic	Average Teacher Salary

Types of Services Funded (Fiscal Year 2017-18)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

During our Academic Planning each year, we determine how we will spend our funds from the district/state/federal and our PTO. This year we are funding a reading team to help our students who need some additional help in these areas. We have a Learning Specialist Consultant and a Librarian. Students receive the services of various arts consultants throughout the year. Each class receives 2 classes a week from a Physical Education consultant. Students in fourth and fifth grade go on an overnight field study trip sponsored with funds from parents and by the PTO. Each grade level plans whole grade activities such as Lawrence Hall of Science presentations, field trip to Tech Museum, or overnight at the San Francisco Youth Hostel. We are also using Reading Naturally to help students with reading fluency. Argonne also has a Russian (FLES) language program for all students.

Teacher and Administrative Salaries (Fiscal Year 2016-17)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries can be found at the CDE Web site at:

<http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development

This section provides information about the program for training the school's teachers and other professional staff.

Professional development is a part of every site plan and a major component of instructional support to departments. The district's professional development program provides opportunities for teachers to implement the district's core curriculum for all students, update subject area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies. Leadership development across content areas is facilitated centrally, and for educators and parents each school continues to provide some full days of professional development during the academic year.
