The School Accountability Report Card (SARC) is required by law to be published annually, by Feb 1st each year. It contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF), all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP) which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For more information about the school, parents and community members should contact the school principal or district office.

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners).

Internet access is available at public libraries and other locations that are publicly accessible.

About This School

School Description and Mission Statement

This section provides information about the school's goals and programs.

The mission statement of E. R. Taylor is to promote intellectual development, physical and mental health, self discipline and cultural sensitivity so that each student can achieve to his/ her fullest potential and be on the road to being "COLLEGE BOUND".

E.R. Taylor is a unique school located in a quiet neighborhood in the southeast section of S. F. with a variety of programs to support student achievement. The school consists of Pre-K - 5th grade classes with ELD, Spanish Bilingual, and Chinese Bilingual classrooms available. The motto of our school is that our students are 'College Bound' and there are many activities to support this vision. In addition we have a Family Liaison, a Community Relations Specialist, 1.5 School Social Workers, a School Nurse and partnerships with Edgewood and the Excel After School Program to provide family support services to help our parents/guardians support their children to reach their potential. Taylor is a National Blue Ribbon School for 2009 and we have received the Title One Academic Achievement Award from the State of California. In addition, Taylor is a State Shining Star School for our Comprehensive Student Support Services and has been named a California Distinguished School. A successful graduate of E.R. Taylor will:

- Have critical thinking skills
- Be nice and work well with others
- Be able to speak another language (Spanish, Chinese, sign language, coding)
- Be a lifelong learner
- Have had a well-rounded education

As a school, we are moving in the direction of a Comprehensive Approach to Literacy, the implementation of the SFUSD Math Standards, and the Next Generation Science Standards. Students participate in a variety of programs, including Art, Music, Gardening, Computer Lab, Physical Education, and Library. We encourage student leadership through our Junior Coach program and our Student Safety Guard program.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Quality, Currency, and Availability of Textbooks and Instructional Materials

For High Schools (grades 9-12)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. Class sets of health instructional materials were provided for high school health teachers. In addition, other Board-adopted core curriculum materials were provided to remedy all insufficiencies identified through a survey and other activities at the annual Instructional Materials Hearing at the October 29, 2019 meeting of the Board of Education. All adopted high school instructional materials have been evaluated and determined locally to meet state standards for grades 9-12. Appropriate science laboratory equipment is available for all laboratory science courses.

For Elementary and Middle Schools (grades K-8)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and adopts K-8 materials from the list of standards-aligned materials that have been adopted by the State Board of Education. The district provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. For 2018-2019, instructional materials were provided for all students in grades K-8. Replacements were provided for core curriculum areas as identified through a survey and other activities preceding the annual Instructional Materials Hearing at the October 29, 2019 meeting of the Board of Education.

For complete lists of adopted textbooks, go to:

School Facility Conditions and Improvements

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Taylor was built in the early years of the the 20th century. It is a beautiful building which has retained the original charm. There has been a variey of updates over the last 15 years and Prop A ADA and safety improvements have been completed during this time. We have ADA accessible bathroom facitilites, ramps, a fire alarm system, fire sprinklers and improved exits.

15 years ago the Taylor staff wrote a grant to build a garden on the side of the school. this is maintained by students, staff and families and has added to the beauty of our neighborhood. Our partnership with Education Outside provides a Gardening program. Last year, turf was installed on the school yard that is used for soccer and other activities.

Part B (Pupil Outcomes) begins on the next page.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

California Assessment of Student Performance and Progress Results for All Students

Subject	Percent of Students Meeting or Exceeding State Standards					
	School		District		State	
	2017-18	2018-19	2017-18	2018-19	2017-18	2018-19

Mathematics (grades 3-8 and 11)	56	56	50	49	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students that did not receive a score is 10 or less, either because the number of students is too small for statistical accuracy or to protect student privacy.

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan - Most Recent Year

This section provides information about the school's comprehensive safety plan.

Taylor has a comprehensive safety plan that has been in effect for many years. Our school operates on three basic principles: "Be Responsible, Be Respectful and Be Safe". We are moving in the direction of implementing Restorative Practices and Positive Behavioral Interventions and Supports on a schoolwide basis. The children are aware of the schoolwide expectations. Discipline issues are handled respectfully and restorative practices are used to solve problems among the students. There is an extensive Disaster Plan in the event of an earthquake or emergency which includes collecting disaster food packets and plans for an evacuation of the school if necessary.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Subject	School			District			State		
	16-17	17-18	18-19	16-17	17-18	18-19	16-17	17-18	18-19

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):
 - Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

This section provides information about opportunities for parents to become involved with school activities.

There are a variety of parent involvement opportunities at Taylor. We have a Family Liaison who facilitates parent activities that help support student learning and organizes volunteers. We have a PTA which has meetings around topics that are of interest to parents and the community. We have monthly Principal Chats that offer interpreters in Spanish and Chinese. We encourage the families of our school to share their cultures through activities, such as Literacy Night, and celebrations, such as our Winter Concert. We feel very fortunate to have a wonderful diversity of cultures at Taylor. Every Wednesday is Parent Volunteer Day, and twice a month, we promote Walk to School Day. We encourage parent participation in the English Language Advisory Committee and the School Site Council.

If you are interested in parental involvement opportunities, please contact the principal at the school:

Academic Counselors and Other Support Staff (School Year 2018-19)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time. Note: For various reasons, including funding sources and employees serving multiple locations, many of the staff in these positions are listed as working at central administrative offices, and so, will not show up under a particular school's staffing count. This includes the following FTE: Counselors - 11.8, Librarians - 31.6, Nurses - 55.3, Psychologists/Social Workers - 111.6 and Resource Specialists - 155. If additional information is needed regarding staffing in these particular support roles, please contact the school.

Types of Services Funded (Fiscal Year 2018-19)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

There are many supplemental Services at Taylor. We have 1.5 School Social Workers, and a full-time School Nurse. Through our partnership with Edgewood, we have a Behavior Consultant, as well as two therapists who conduct individual and group sessions for students. We also participate in the College Bound program, which two of our staff members co-coordinate. The School Health Programs Office also supports our program with a Nutrition Program, which is coordinated by the After School Program Coordinator. Our College Bound Program includes student field trips to universities in the area, as well as opportunities for parent involvement. Our partnership with Playworks provides the Team Up program, which includes professional development for our Community Relations Specialist, teachers, and noon aides to promote student engagement during recess as well as the Class Game Time program during physical education. Taylor has an afterschool Homework/enrichment program five days a week for students needing extra support. We have two full-time Resource Specialists, a Speech Therapist, a SOAR Special Day class, and a Literacy Specialist.

Teacher and Administrative Salaries (Fiscal Year 2017-18)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries can be found at the CDE Web site at:

<http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development

This section provides information about the program for training the school's teachers and other professional staff.

Professional development is a part of every site plan and a major component of instructional support to departments. The district's professional development program provides opportunities for teachers to implement the district's core curriculum for all students, update subject area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies. Leadership development across content areas is facilitated centrally, and for educators and parents each school continues to provide some full days of professional development during the academic year.
