The School Accountability Report Card (SARC) is required by law to be published annually, by Feb 1st each year. It contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF), all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP) which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For more information about the school, parents and community members should contact the school principal or district office.

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners).

Internet access is available at public libraries and other locations that are publicly accessible.

About This School

School Description and Mission Statement

This section provides information about the school's goals and programs.

The Lakeshore staff believes in building rich relationships with students and their families. We believe that building a strong home/school connection is critical in the education of our children. Our goal is to work with families to teach and model for our students, appropriate and respectful interactions with each other so that every child understands how to communicate effectively and how to build positive relationships with the greater school community. Teachers, parents and caregivers model the way for our students to become responsible, respectful and compassionate children. Diversity is valued and respected by members of the Lakeshore community. The TRIBES program is implemented schoolwide, and is the foundation for our school-wide discipline plan and Lakeshore Stars Recognition program, which empowers students to show mutual respect, be an attentive listener and solve conflict in a respectful way.

Our mission is to create a joyful learning environment that empowers our students. We provide children with the 3 R's: a Rigorous and Relevant curriculum and positive, caring Relationships. The principal, teachers and staff value collaboration to plan instruction, reflect on and consistently improve teaching practices. Grade level curriculum is aligned with the State Standards and is taught using differentiated instruction to meet individual student needs.

Our visual and performing arts and garden program supports the development of the whole child. We create a learning environment that is safe, nurturing and productive and affords every child the opportunity to reach his/her maximum potential.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Quality, Currency, and Availability of Textbooks and Instructional Materials

For High Schools (grades 9-12)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. Class sets of health instructional materials were provided for high school health teachers. In addition, other Board-adopted core curriculum materials were provided to remedy all insufficiencies identified through a survey and other activities at the annual Instructional Materials Hearing at the October 29, 2019 meeting of the Board of Education. All adopted high school instructional materials have been evaluated and determined locally to meet state standards for grades 9-12. Appropriate science laboratory equipment is available for all laboratory science courses.

For Elementary and Middle Schools (grades K-8)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and adopts K-8 materials from the list of standards-aligned materials that have been adopted by the State Board of Education. The district provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. For 2018-2019, instructional materials were provided for all students in grades K-8. Replacements were provided for core curriculum areas as identified through a survey and other activities preceding the annual Instructional Materials Hearing at the October 29, 2019 meeting of the Board of Education.

For complete lists of adopted textbooks, go to:

School Facility Conditions and Improvements

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Lakeshore Atlernative is located in the Lake Merced area. It is a large site that is encompasses three levels of buildings and yards. We have a lovely garden yard that students care for and maintain under the supervision of our garden consultants. Our lobby was recently painted and provides an inviting room for parents/guardians and visitors. We were recently under wiring construction to make improvements so that all classrooms have internet access. The PTA plans regular Site Beautification Days to ensure a clean, organized and well maintained facility.

Part B (Pupil Outcomes) begins on the next page.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students that did not receive a score is 10 or less, either because the number of students is too small for statistical accuracy or to protect student privacy.

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan - Most Recent Year

This section provides information about the school's comprehensive safety plan.

Social and behavioral expectations are clearly communicated to students and families. Lakeshore teachers and staff members consistently adhere to child abuse reporting procedures. Safety issues that arise are brought to our Crisis Response Team and/or parent and teacher committees to develop structures that ensure the safety of our community. Our disaster/emergency procedures and protocols are reviewed annually and updated regularly as needed. Emergency supplies and equipment are organized, maintained, and ordered as needed. Our Student Support Team (SST) and CARE team meets weekly. The teams work together, with family participation, to develop intervention plans designed to support the academic, social and behavioral needs of individual students.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Subject	School			District			State		
	16-17	17-18	18-19	16-17	17-18	18-19	16-17	17-18	18-19

Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):
 - Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

This section provides information about opportunities for parents to become involved with school activities.

Parents are encouraged and expected to actively participate in their child's education. Parents participate in a variety of activities and have opportunities to serve on various decision making committees which include PTA, School Site Council or Advisory Councils. Parents are encouraged to volunteer in classrooms, the library, on the garden committee, assist on field trips, and organize and participate in schoolwide functions such as the Lakeshore Picnic, Family Math Night, Literacy Night, Science Night, Read-A-Thon, and School Beautification Days. The PTA sponsors and supports many enrichment programs such as Motor Perception (K-3), Studio Art, poetry, dance, drama, library, yoga, and cooking.

If you are interested in parental involvement opportunities, please contact the principal at the school:

Academic Counselors and Other Support Staff (School Year 2018-19)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time. Note: For various reasons, including funding sources and employees serving multiple locations, many of the staff in these positions are listed as working at central administrative offices, and so, will not show up under a particular school's staffing count. This includes the following FTE: Counselors - 11.8, Librarians - 31.6, Nurses - 55.3, Psychologists/Social Workers - 111.6 and Resource Specialists - 155. If additional information is needed regarding staffing in these particular support roles, please contact the school.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2017-18)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. The option to report expenditures and salaries for the benefit of all schools in the district equally has been used. Detailed information regarding school expenditures and teacher salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>.

Types of Services Funded (Fiscal Year 2018-19)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

Lakeshore students (K-3) participate in weekly motor perception lessons. Grades 4 and 5 participate in weekly physical education classes. Weekly gardening lessons and studio art lessons are enjoyed by grades K-5. Our resident poet teaches poetry classes to grades 1-5. In addition, each classroom teacher chooses 20 hours of consultant time which includes drama, cooking, architecture, dance, music, yoga and folk art. Lakeshore partners with The deYoung Museum, The San Francisco Symphony (AIMS I and II), and The San Francisco Ballet Company. Our partnership with PG & E Solar Schools Program supports the teaching of the value of alternative energy. The EXCEL after school program provides extended learning opportunities for students who are identified as needing additional support services

Teacher and Administrative Salaries (Fiscal Year 2017-18)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries can be found at the CDE Web site at:

Professional Development

This section provides information about the program for training the school's teachers and other professional staff.

Professional development is a part of every site plan and a major component of instructional support to departments. The district's professional development program provides opportunities for teachers to implement the district's core curriculum for all students, update subject area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies. Leadership development across content areas is facilitated centrally, and for educators and parents each school continues to provide some full days of professional development during the academic year.
