The School Accountability Report Card (SARC) is required by law to be published annually, by Feb 1st each year. It contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF), all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP) which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For more information about the school, parents and community members should contact the school principal or district office.

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners).

Internet access is available at public libraries and other locations that are publicly accessible.

About This School

School Description and Mission Statement

This section provides information about the school's goals and programs.

Mission Education Center is a K-5 elementary school for newly arrived Spanish speaking immigrant students. This transitional program helps the newcomer students achieve the necessary skills and confidence in order to succeed in regular schools to which they will transfer at the end of one year. Our teachers are Spanish bilingual and credentialed to work with our newcomer population. Our main goals are oral English proficiency, academic success in Spanish and English, and orientation to life in a new community. We encourage parents to become engaged in and supportive of their child's education, through bi-weekly parent education workshops. We work collaboratively with community agencies such as SF School Volunteers, Mission Science Workshop, Performing Arts Workshop, SF Ballet, Lion's Club, Bay Area Community Resources.

Section A (Conditions of Learning) begins on next page.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Quality, Currency, and Availability of Textbooks and Instructional Materials

For High Schools (grades 9-12)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. Class sets of health instructional materials were provided for high school health teachers. In addition, other Board-adopted core curriculum materials were provided to remedy all insufficiencies identified through a survey and other activities at the annual Instructional Materials Hearing at the October 29, 2019 meeting of the Board of Education. All adopted high school instructional materials have been evaluated and determined locally to meet state standards for grades 9-12. Appropriate science laboratory equipment is available for all laboratory science courses.

For Elementary and Middle Schools (grades K-8)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and adopts K-8 materials from the list of standards-aligned materials that have been adopted by the State Board of Education. The district provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. For 2018-2019, instructional materials were provided for all students in grades K-8. Replacements were provided for core curriculum areas as identified through a survey and other activities preceding the annual Instructional Materials Hearing at the October 29, 2019 meeting of the Board of Education.

For complete lists of adopted textbooks, go to:

Additional Comments:

School Facility Conditions and Improvements

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Mission Education Center was renovated with the ADA Bond monies in 2008-2009. The school is now ADA compliant. All of the bathrooms were replaced. The interior and exterior of the building were painted. A new play structure and basketball court was added to the yard. New fencing and yard re-surfacing were completed . New flooring was added throughout the building. A new elevator was built and added to the building. Every classroom has several internet connections. As part of the Bond program, we are in the process of the Green Schoolyard Project. We hired a landscape architect to plan the greening of MEC with the school district and MEC Green Team. Our Green Schoolyard and garden were completed in 2011. MEC has hired a Garden/Green Schoolyard Coordinator.

Part B (Pupil Outcomes) begins on the next page.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students that did not receive a score is 10 or less, either because the number of students is too small for statistical accuracy or to protect student privacy.

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Part C (Engagement) begins on the next page.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Graduation Rate				86.5	73.1	72.1	83.8	82.7	83

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan - Most Recent Year

This section provides information about the school's comprehensive safety plan.

The key elements of our School Safety Plan are to ensure a safe, secure school and learning environment relative to cleanliness, management of the facility and student behavior, and consistent with state requirements. All teachers implement the required tobacco, drug, and violence prevention programs. Students and parents are provided with educational support. Professional development in Conflict Resolution, Health Education, and Crisis Management is provided to all staff. All staff implements and enforces an anti-slur policy, a sexual Harassment Policy, Child Abuse Reporting, and Disaster Procedures. MEC was the recipient of the Fruit and Vegetable Grant, providing a daily piece of fruit or vegetable paired with Nutrition Education.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Subject	School			District			State

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):
 - Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

This section provides information about opportunities for parents to become involved with school activities.

Parents are encouraged to become active members of the Parents’ Club, the School Site Council and Advisory Councils. We encourage our parents/guardians to volunteer on field trips, in the classrooms, in the garden, and in the library. The parent liaison provides bi-weekly parent education workshops. The parent workshops are offered on topics such as Homework Help/Standards, Positive Discipline, Family Literacy, Nutrition, Family Science, School and District Committees (SSC, ELAC) and Enrollment Information. We offer a beginning reading and writing class to our pre-literate parents. Project Inspire provides a series of 4 parent education workshops in Spanish designed for EL newcomer parents.

If you are interested in parental involvement opportunities, please contact the principal at the school:

Section D (Other SARC Information) begins on next page.

Section D - Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

This table displays by grade level the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Academic Counselors and Other Support Staff (School Year 2018-19)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time. Note: For various reasons, including funding sources and employees serving multiple locations, many of the staff in these positions are listed as working at central administrative offices, and so, will not show up under a particular school's staffing count. This includes the following FTE: Counselors - 11.8, Librarians - 31.6, Nurses - 55.3, Psychologists/Social Workers - 111.6 and Resource Specialists - 155. If additional information is needed regarding staffing in these particular support roles, please contact the school.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2017-18)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. The option to report expenditures and salaries for the benefit of all schools in the district equally has been used. Detailed information regarding school expenditures and teacher salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>.

Types of Services Funded (Fiscal Year 2018-19)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

Mission Education Center has many programs and supplemental services such as; Performing Arts Workshop, SF Ballet-Dance in the Schools, California Poets in the Schools, Nutrition Education, Adventures in Music, Mission Science Workshop, WildCare, and Headlands Institute-Environmental Education. Choral and Instrumental Music is provided to our 3rd-5th graders. A visual art teacher from the VAPA department provides integrated art classes to K-5th classrooms. MEC is a dual language newcomer enrichment program (Spanish bilingual). A Spanish bilingual elementary advisor, a parent liaison, an Instructional Reform Facilitator, a learning support professional, a speech therapist, a librarian, a garden coordinator, and a physical education teacher support the classroom teachers and students. A SES provider, the garden coordinator, ExCEL, and SCORES offer and provide quality after school programs to all our students.

Teacher and Administrative Salaries (Fiscal Year 2017-18)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries can be found at the CDE Web site at:

<http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development

This section provides information about the program for training the school's teachers and other professional staff.

Professional development is a part of every site plan and a major component of instructional support to departments. The district's professional development program provides opportunities for teachers to implement the district's core curriculum for all students, update subject area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies. Leadership development across content areas is facilitated centrally, and for educators and parents each school continues to provide some full days of professional development during the academic year.
