The School Accountability Report Card (SARC) is required by law to be published annually, by Feb 1st each year. It contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF), all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP) which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For more information about the school, parents and community members should contact the school principal or district office.

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners).

Internet access is available at public libraries and other locations that are publicly accessible.

About This School

School Description and Mission Statement

This section provides information about the school's goals and programs.

Our mission is to enhance and develop our student's intellectual, creative, social responsibility and physical capacities. We partner with our families and local communities to provide every student with the academic and social skills needed to become successful 21st century citizens committed to making the world a better place to live. We are committed to providing each student with a challenging and joyful learning experience. Our educational program consists of a focus on healthy bodies and minds. We provide opportunities for our parents, staff and students participate in ongoing physical fitness activities including; Physical Fitness Tuesday and Wii fit Friday's. In addition students participate in recycling, composting and gardening projects through our Green School Project. Students at Malcolm X Academy are also given ongoing opportunities to participate in our weekly visual and performing arts sessions provided by district and local community artists. our students with opportunities to utilize technology as a tool to enrich and improve student understanding and outcomes

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Quality, Currency, and Availability of Textbooks and Instructional Materials

For High Schools (grades 9-12)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. Class sets of health instructional materials were provided for high school health teachers. In addition, other Board-adopted core curriculum materials were provided to remedy all insufficiencies identified through a survey and other activities at the annual Instructional Materials Hearing at the October 29, 2019 meeting of the Board of Education. All adopted high school instructional materials have been evaluated and determined locally to meet state standards for grades 9-12. Appropriate science laboratory equipment is available for all laboratory science courses.

For Elementary and Middle Schools (grades K-8)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and adopts K-8 materials from the list of standards-aligned materials that have been adopted by the State Board of Education. The district provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. For 2018-2019, instructional materials were provided for all students in grades K-8. Replacements were provided for core curriculum areas as identified through a survey and other activities preceding the annual Instructional Materials Hearing at the October 29, 2019 meeting of the Board of Education.

For complete lists of adopted textbooks, go to:

School Facility Conditions and Improvements

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Malcolm X Academy has just completed an extensive renovation in order to meet ADA requirements. We have new student and staff bathrooms, new sinks and water fountains in each classroom, a new fire sprinkler system, a new elevator and a new staff lounge. We have a beautiful multi-purpose room decorated with children's artwork where we hold all of our indoor celebrations, family nights and graduations. Our two playgrounds provide safe and inviting spaces for outdoor activities. We have plans to develop a Green School Yard this coming summer, which will include a pond, a willow-tree tunnel and an outdoor classroom. Our two custodians work daily to keep our school clean and orderly. Our school secretary places work orders as needed to keep our school and grounds in good repair.

Part B (Pupil Outcomes) begins on the next page.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students that did not receive a score is 10 or less, either because the number of students is too small for statistical accuracy or to protect student privacy.

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Part C (Engagement) begins on the next page.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Graduation Rate				86.5	73.1	72.1	83.8	82.7	83

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan - Most Recent Year

This section provides information about the school's comprehensive safety plan.

We begin each day with our community circle which helps set the tone for the day events. Our focus centers on sharing community news, appreciations and student and staff recognition. The school safety plan includes an Emergency Response and Care Team. Our staff reviews the Safe School Plan yearly and participates in regular planned drills such as fire and earthquake and other emergency drills. In addition our students participate as Student Council Members and Conflict Managers. Both of these help our students learn and develop leadership skills and learn how community involvement leads to good citizenship.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Subject	School			District			State		
	16-17	17-18	18-19	16-17	17-18	18-19	16-17	17-18	18-19

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):
 - Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

This section provides information about opportunities for parents to become involved with school activities.

Malcolm X Academy welcomes parental and caregiver involvement at all levels: as visitors, classroom volunteers, after-school program leaders, organizers and decision-makers. Parents are active members of our School Site Council and are working this year to form a PTA. Parents help run our free after school program and lead the Polynesian Dance Club. Our parent liaison offers parent workshops on such topics as "Effective Parent-Teacher Conferences" and "Understanding Standards." Parents help organize fun-filled Family Literacy, Math and Health nights throughout the year. We communicate with our parents and caregivers with Wednesday envelopes, bi-monthly school newsletters, and frequent telephone calls. Malcolm X parents and caregivers are an invaluable part of our community.

If you are interested in parental involvement opportunities, please contact the principal at the school:

Academic Counselors and Other Support Staff (School Year 2018-19)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time. Note: For various reasons, including funding sources and employees serving multiple locations, many of the staff in these positions are listed as working at central administrative offices, and so, will not show up under a particular school's staffing count. This includes the following FTE: Counselors - 11.8, Librarians - 31.6, Nurses - 55.3, Psychologists/Social Workers - 111.6 and Resource Specialists - 155. If additional information is needed regarding staffing in these particular support roles, please contact the school.

Types of Services Funded (Fiscal Year 2018-19)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

Our English learner students receive thirty minutes of English-language development daily provided by our trained support staff. Our general education students also benefit from thirty additional minutes of English –language development through the usage of SADIE and MELD language support. All of the students at Malcolm X Academy participate in an innovative music program that includes instrumental instruction for our fourth and fifth graders. Our Care Team meets weekly to share ideas and resources focused on developing individual learning plans designed to meet the needs of our students with special needs. The team consists of Principal, Student Advisor, Learning Support Person, Instructional Reform Facilitator, After-School Director and part-time Speech and Language Therapist, Psychologist, Nutritionist, Parent Liaison, Resource Specialist and Counselor. In addition our YMCA after-school program is directed and staffed by a diverse local staff committed to providing our students with opportunities to enhance and extend their learning experience. These programs include; on line tutorial math and language arts enrichment and intervention, cooking, arts and craft, tumbling, bicycling and track. In addition our students participate in chess, checkers and a variety of strategy and think board games.

Teacher and Administrative Salaries (Fiscal Year 2017-18)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries can be found at the CDE Web site at:

Professional Development

This section provides information about the program for training the school's teachers and other professional staff.

Professional development is a part of every site plan and a major component of instructional support to departments. The district's professional development program provides opportunities for teachers to implement the district's core curriculum for all students, update subject area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies. Leadership development across content areas is facilitated centrally, and for educators and parents each school continues to provide some full days of professional development during the academic year.
