The School Accountability Report Card (SARC) is required by law to be published annually, by Feb 1st each year. It contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF), all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP) which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For more information about the school, parents and community members should contact the school principal or district office.

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners).

Internet access is available at public libraries and other locations that are publicly accessible.

## About This School

### **School Description and Mission Statement**

This section provides information about the school's goals and programs.

Visitacion Valley Middle School Mission is to provide a quality education that prepares students for a fulfilling life in a global society. The school, rich in ethnicity and culture, is known nationally for its innovative programs. Teachers and students are assigned to academic families that use a variety of innovative technology, cross-curricular writing programs, and project based and standards based instruction through out the year. Visitacion Valley Middle School prides itself in its active role in the community by welcoming parents, families, and community partners to participate on all levels of creating a culturally responsive 21st Century Middle School.

## A. Conditions of Learning

### **State Priority: Basic**

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### **Teacher Credentials**

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

<i>Teachers</i>	<i>School</i>			<i>District</i>

Without Full Credential	6	4	5	345
Teaching Outside Subject Area of Competence	5	3	4	145

### **Teacher Misassignments and Vacant Teacher Positions**

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

<i>Indicator</i>	<i>2017-18</i>	<i>2018-19</i>	<i>2019-20</i>

## **Quality, Currency, and Availability of Textbooks and Instructional Materials**

### **For High Schools (grades 9-12)**

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. Class sets of health instructional materials were provided for high school health teachers. In addition, other Board-adopted core curriculum materials were provided to remedy all insufficiencies identified through a survey and other activities at the annual Instructional Materials Hearing at the October 29, 2019 meeting of the Board of Education. All adopted high school instructional materials have been evaluated and determined locally to meet state standards for grades 9-12. Appropriate science laboratory equipment is available for all laboratory science courses.

### **For Elementary and Middle Schools (grades K-8)**

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and adopts K-8 materials from the list of standards-aligned materials that have been adopted by the State Board of Education. The district provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. For 2018-2019, instructional materials were provided for all students in grades K-8. Replacements were provided for core curriculum areas as identified through a survey and other activities preceding the annual Instructional Materials Hearing at the October 29, 2019 meeting of the Board of Education.

For complete lists of adopted textbooks, go to:

Additional Comments:

**School Facility Conditions and Improvements**

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

VVMS was constructed in 1971 to meet the needs of the Visitation Valley community. Our school is a modern, well maintained school facility. We had a new paint job inside and out in 2004. All needed handicapped accessibility access concerns were met in 2005. We have a new Muni bus stop and shelter on Visitation Street. Our campus is well lighted and our community garden and outside areas are well maintained. Visitors comment on the clean appearance of our school and our students assist in maintaining a clean and happy school environment. We have internet in all classrooms and we have three computer labs on the campus. We hope to have new windows to replace our old ones next year. The school has the only middle school student golf facility in the United States, funded by the First TEE Foundation.

Part B (Pupil Outcomes) begins on the next page.

## B. Pupil Outcomes

### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### **California Assessment of Student Performance and Progress Results for All Students**

<i>Subject</i>	<i>Percent of Students Meeting or Exceeding State Standards</i>

Mathematics (grades 3-8 and 11)	11	12	50	49	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

See Subject - Subgroup results on next pages:

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students that did not receive a score is 10 or less, either because the number of students is too small for statistical accuracy or to protect student privacy.

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Note: The California Science Test (CAST) was administered operationally during the 2018–19 school year. However, these data are not available for inclusion in the 2018–19 SARC posting due February 1, 2020. These data will be included in the 2019–20 SARC posting due February 1, 2021.

### **Courses for University of California and/or California State University Admission**

This table displays for the most recent year two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in and completion of courses required for UC/CSU admission can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

<i>Indicator</i>	<i>Percent</i>
2018-19 Students Enrolled in Courses Required for UC/CSU Admission	5

## C. Engagement

### **State Priority: Pupil Engagement**

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

### **Dropout Rate and Graduation Rate**

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Indicator	School			District			State		
	15-16	16-17	17-18	15-16	16-17	17-18	15-16	16-17	17-18
Dropout Rate				7.6	13.1	11.2	9.7	9.1	9.6
Graduation Rate				86.5	73.1	72.1	83.8	82.7	83

### **State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### **School Safety Plan - Most Recent Year**

This section provides information about the school's comprehensive safety plan.

VVMS has an outstanding school safety plan that covers all types of emergencies. Our plan has served as a model for the school district. Our students, parents and staff all have been involved in the planning and practice of the safety plan. Our school has been noted as an "island of safety" in Visitacion Valley. We have worked closely with the SFPD to insure that we have a safe and secure campus and also around our school. Our school has participated along with all other agencies in the Valley to develop a community safety plan. We work daily to make sure those students and families receive assistance on safety issues. We also have many community agencies that work with our school to help promote safety and help teach student and adult responsibility around safety issues.

### **Suspensions and Expulsions**

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Subject	School			District			State		
	16-17	17-18	18-19	16-17	17-18	18-19	16-17	17-18	18-19
Suspensions	7.0	10.6	10.2	1.6	1.6	1.7	3.6	3.5	3.5
Expulsions	0.2	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):  
 - Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

**Opportunities for Parental Involvement**

This section provides information about opportunities for parents to become involved with school activities.

Visitation Valley Middle School offers a variety of activities for parent involvement including working on committees of the site council, working on projects with our new PTSA or assisting with our sports and activity groups. We have an active parent advisor who reaches out to the parents to gain cooperation and assistance. We also publish a monthly newsletter to our students and parents.

If you are interested in parental involvement opportunities, please contact the principal at the school:

## Section D - Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### **Average Class Size and Class Size Distribution (Elementary)**

This table displays by grade level the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Grade Level	Avg Class Size	2016-17			Avg Class Size	2017-18			Avg Class Size	2018-19

### **Academic Counselors and Other Support Staff (School Year 2018-19)**

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time. Note: For various reasons, including funding sources and employees serving multiple locations, many of the staff in these positions are listed as working at central administrative offices, and so, will not show up under a particular school's staffing count. This includes the following FTE: Counselors - 11.8, Librarians - 31.6, Nurses - 55.3, Psychologists/Social Workers - 111.6 and Resource Specialists - 155. If additional information is needed regarding staffing in these particular support roles, please contact the school.

<i>Title</i>	<i>Number of FTE Assigned to School</i>	<i>Average Number of Students per Academic Counselor</i>

**Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2017-18)**

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. The option to report expenditures and salaries for the benefit of all schools in the district equally has been used. Detailed information regarding school expenditures and teacher salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>.

<i>Level</i>	<i>Total Expenditures Per Pupil</i>	<i>Expenditures Per Pupil (Restricted)</i>	<i>Expenditures Per Pupil (Unrestricted)</i>	<i>Average Teacher Salary</i>

**Types of Services Funded (Fiscal Year 2018-19)**

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

Visitacion Valley Middle School has a variety of outside services to assist our students. In addition to our Title One funds for classroom instruction and after school tutoring and ELAC funds to assist students with language needs our school has grant funding from the Mayor's office to maintain our Beacon Center. We have grants from the San Francisco Education Fund and AOL.Com to assist us with our outstanding Project San Francisco. Our counseling department has written grants to assist students with counseling needs due to PTSA in Children. We have some twenty community partners who service our student body. Our school is fortunate to have so many funded services to help our students and our families.

**Teacher and Administrative Salaries (Fiscal Year 2017-18)**

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries can be found at the CDE Web site at:

<http://www.cde.ca.gov/ds/fd/cs/>.

<i>Category</i>	<i>District Amount</i>	<i>State Average For Districts In Same Category</i>
Beginning Teacher Salary	\$47,028	\$48,612

Social Science	0	----
All Courses	0	0

### **Professional Development**

This section provides information about the program for training the school's teachers and other professional staff.

Professional development is a part of every site plan and a major component of instructional support to departments. The district's professional development program provides opportunities for teachers to implement the district's core curriculum for all students, update subject area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies. Leadership development across content areas is facilitated centrally, and for educators and parents each school continues to provide some full days of professional development during the academic year.
