The School Accountability Report Card (SARC) is required by law to be published annually, by Feb 1st each year. It contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF), all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP) which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For more information about the school, parents and community members should contact the school principal or district office.

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners).

Internet access is available at public libraries and other locations that are publicly accessible.

About This School

School Description and Mission Statement

This section provides information about the school's goals and programs.

We like it here because this school is small and we all know each other! "We like it here because we don't let politics get in the way of teaching and learning." "We like that JYC students are well-rounded." These are just a few of the testimonials that our parents have told us about our school. Being efficient and productive are the two attributes that we treasure the most here. We fully realize and accept without angst the importance of state mandated assessments. Monthly programs such as the School Spirits Store, and weekly programs such as the School Pride Tickets, the Lily Cai Chinese Cultural Dance Program are just some of the unique programs that our students and families all love.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Quality, Currency, and Availability of Textbooks and Instructional Materials

For High Schools (grades 9-12)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. Class sets of health instructional materials were provided for high school health teachers. In addition, other Board-adopted core curriculum materials were provided to remedy all insufficiencies identified through a survey and other activities at the annual Instructional Materials Hearing at the October 29, 2019 meeting of the Board of Education. All adopted high school instructional materials have been evaluated and determined locally to meet state standards for grades 9-12. Appropriate science laboratory equipment is available for all laboratory science courses.

For Elementary and Middle Schools (grades K-8)

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and adopts K-8 materials from the list of standards-aligned materials that have been adopted by the State Board of Education. The district provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. For 2018-2019, instructional materials were provided for all students in grades K-8. Replacements were provided for core curriculum areas as identified through a survey and other activities preceding the annual Instructional Materials Hearing at the October 29, 2019 meeting of the Board of Education.

For complete lists of adopted textbooks, go to:

School Facility Conditions and Improvements

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Every single classroom at our school is equipped with a SMART Interactive White Board, a Prowise Electric Interactive Board with its own CPU and wireless keyboard, & an ELMO Projector. In addition, each classroom teacher has a school laptop that he/she can utilize for lesson planning as well as grading purposes. During the last eight school years, we have purchased over 80 PC's & Chromebooks for our PC/Chromebook Computer Lab. JYC has also utilized a grant to build a student-friendly playground structure, in its tenth year of use. The condition of the school's grounds, building, and restrooms, especially after our school's restoration/reconstruction/modernization project three years ago, is superb.

Part B (Pupil Outcomes) begins on the next page.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students that did not receive a score is 10 or less, either because the number of students is too small for statistical accuracy or to protect student privacy.

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Part C (Engagement) begins on the next page.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan - Most Recent Year

This section provides information about the school's comprehensive safety plan.

The key elements of our School Safety Plan help us promote positive behavior and high academic expectations for our students. Child abuse reporting and disaster/emergency procedures are enforced. We want to ensure that our school is a safe and secure learning environment for our students. We implement a School Pride Ticket program to help us promote a positive learning environment. Our School Psychologist, Resource Specialist, Speech Technician, Reading Teachers, and School Social Worker conduct ongoing Student Success Team meetings to discuss strategies and interventions for at-risk students.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Subject	School			District			State

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):
 - Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

This section provides information about opportunities for parents to become involved with school activities.

Parents can get involved in their own unique ways according to their work and life schedules. From volunteering in our classrooms and becoming Room Parents to volunteering from home, we appreciate parental involvement in all ways and fashions. The Parents Teachers Club meets once a month along with our School Site Council and English Language Advisory Committee groups. We communicate with our parents regularly through monthly School Newsletters, monthly Classroom Newsletters, monthly Student Progress Updates, Report Cards, home visits, in-person conferences, phone conferences, as well as during Parents Teachers Conferences in the Fall and Spring Tri-mesters.

If you are interested in parental involvement opportunities, please contact the principal at the school:

Professional Development

This section provides information about the program for training the school's teachers and other professional staff.

Professional development is a part of every site plan and a major component of instructional support to departments. The district's professional development program provides opportunities for teachers to implement the district's core curriculum for all students, update subject area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies. Leadership development across content areas is facilitated centrally, and for educators and parents each school continues to provide some full days of professional development during the academic year.
