The School Accountability Report Card (SARC) is required by law to be published annually, by Feb 1st each year. It contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF), all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP) which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For more information about the school, parents and community members should contact the school principal or district office.

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners).

Internet access is available at public libraries and other locations that are publicly accessible.

## About This School

### **School Description and Mission Statement**

This section provides information about the school's goals and programs.

Balboa High School, in partnership with all community stakeholders, will provide students with an educational experience of rigor and relevance; where all students are valued, have a sense of purpose, and are committed to making our school and society a better place to live. As a community of lifelong learners, we are guided by 3 essential questions:

- What do we expect students to learn?
- How do we know they have learned it?
- What do we do if they don't learn? And what do we do when they do?

### **Student Enrollment By Grade Level (School Year 2019-20)**

This table displays the number of students enrolled in each grade level at the school.

Grade Level	Enrollment

## A. Conditions of Learning

### **State Priority: Basic**

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### **Teacher Credentials**

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

<i>Teachers</i>	<i>School</i>			<i>District</i>

Without Full Credential	11	9	4	156
Teaching Outside Subject Area of Competence	4	5	4	108

### **Teacher Misassignments and Vacant Teacher Positions**

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

<i>Indicator</i>	<i>2018-19</i>	<i>2019-20</i>	<i>2020-21</i>
Misassignments of Teachers of English Learners	0	1	0
Total Teacher Misassignments	4	6	5
Vacant Teacher Positions	0	0	1

## **Quality, Currency, and Availability of Textbooks and Instructional Materials**

### **For High Schools (grades 9-12)**

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. Class sets of health instructional materials were provided for high school health teachers. In addition, other Board-adopted core curriculum materials were provided to remedy all insufficiencies identified through a survey and other activities at the annual Instructional Materials Hearing at the October 6, 2020 meeting of the Board of Education. All adopted high school instructional materials have been evaluated and determined locally to meet state standards for grades 9-12. Appropriate science laboratory equipment is available for all laboratory science courses.

### **For Elementary and Middle Schools (grades K-8)**

The San Francisco Unified School District adopts instructional materials following the cycle of state frameworks and standards, and adopts K-8 materials from the list of standards-aligned materials that have been adopted by the State Board of Education. The district provides sufficient textbooks for all students to use in class and to take home in the core curriculum areas of reading/language arts, mathematics, science, and history/social studies. For 2019-2020, instructional materials were provided for all students in grades K-8. Replacements were provided for core curriculum areas as identified through a survey and other activities preceding the annual Instructional Materials Hearing at the October 6, 2020 meeting of the Board of Education.

For complete lists of adopted textbooks, go to:

<http://www.sfusd.edu/en/curriculum-standards/instructional-resources.htm>

**School Facility Good Repair Status**

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

<i>Item Inspected</i>	<i>Repair Status</i>			<i>Repair Needed and Action Taken or Planned</i>
	<i>Good</i>	<i>Fair</i>	<i>Poor</i>	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X

Overall Summary		X		
Inspection Date	Fall 2020			

Additional Comments: Note: Mixed fixed ceiling tiles and acoustical tiles at various classrooms.

**School Facility Conditions and Improvements**

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

All usable school space is safe, clean, and adequate for teaching and learning. Facilities are completely adequate, so are the classrooms for our student population. Computers labs are extensive and up to date. ADA construction project has just been completed. All facilities are accessible to the physically disabled people. Athletic facilities have been updated with the new track, new football field man-made lawn, new baseball field and irrigation system, and new bleachers benches. New sound system has been set up in the auditorium. Two

new elevators have also been built through the ADA construction project. The old auto shop has been renovated into a Green Room with new curtains, new carpet, and new folding tables and chairs. The basement of school gym has not been used and awaiting for funds to repair.

Part B (Pupil Outcomes) begins on the next page.

## B. Pupil Outcomes

### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### **California Assessment of Student Performance and Progress Results for All Students**

Subject	Percent of Students Meeting or Exceeding State Standards					
	School		District		State	
	2018-19	2019-20	2018-19	2019-20	2018-19	2019-20
English Language Arts/Literacy (grades 3-8 and 11)	63	N/A	56	N/A	50	N/A
Mathematics (grades 3-8 and 11)	39	N/A	49	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

See Subject - Subgroup results on next pages:

Double dashes (--) appear in the table when the number of students that did not receive a score is 10 or less, either because the number of students is too small for statistical accuracy or to protect student privacy.

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

## **Career Technical Education Programs**

The section provides information about the Career Technical Education (CTE) programs.

Career Technical Education at SFUSD provides opportunities for high school students to explore and gain experience in high-wage high-demand careers, while preparing them for post-secondary education, training or entry into the workforce. CTE Pathways offer students a 2-3 year course sequence focused on one industry sector. The CTE curriculum is centered on industry-standard project-based learning that develops student’s professionalism and industry-specific skillset. Teachers work with industry advisory boards and post-secondary partners to embed work-based learning into a curriculum that aligns to college and career outcomes.

SFUSD’s model includes rigorous academics, integrated technology, work-based learning and comprehensive support services. This provides avenues for students to draw rich, real-world connections across content areas and see the relevance in their day-to-day learning.

We continue to increase the capacity of CTE teachers, counselors and administration, along with local community-based organizations to ensure that non-traditional populations have full access to the Pathways and are set up for success. Specific attention is paid during the recruitment process to support enrollment of populations underrepresented in particular career sectors.

Students enrolled in CTE courses can earn college credit, obtain industry certification(s), participate in paid summer fellowships and build their professional network. Through standards-based curriculum, career readiness activities and supportive cohorts, CTE students are more likely to engage in the school community, persist to graduation and obtain a postsecondary credential, degree or apprenticeship.

The CTE Advisory Committee is chaired by Gary Freund, representing both Cal State East Bay University and the Hospitality/Tourism Advisory Board. The chairs of each of the 7 industry-specific advisory boards serve in a representative capacity on the CTE Advisory Committee.

**Career Technical Education Participation (School Year 2019-20)**

This table displays information about participation in the school's CTE programs.

<i>Measure</i>	<i>CTE Program Participation</i>
Number of Pupils	368
Percent of pupils completing a CTE program and earning a high school diploma	96.83%
Percent of CTE courses sequenced or articulated between the school and institutions of postsecondary education	20%

**Courses for University of California and/or California State University Admission**

This table displays for the most recent year two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in and completion of courses required for UC/CSU admission can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

<i>Indicator</i>	<i>Percent</i>
2019-20 Students Enrolled in Courses Required for UC/CSU Admission	98
2018-19 Graduates Who Completed All Courses Required for UC/CSU Admission	61

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (8)  
- Pupil outcomes in the subject area of physical education.

**California Physical Fitness Test Results (School Year 2019-20)**

<i>Grade Level</i>	<i>Percent of Students Meeting Fitness Standards</i>

Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

Part C (Engagement) begins on the next page.

## C. Engagement

### **State Priority: Pupil Engagement**

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

### **Dropout Rate and Graduation Rate**

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

	School			District			State		
Indicator	17-18	18-19	19-20	17-18	18-19	19-20	17-18	18-19	19-20
Dropout Rate	5.2	5.2	3.1	13.1	11.2	30.9	9.1	9.6	9
Graduation Rate	90.8	92.4	93.4	73.1	72.1	64.6	82.7	83	84.5

### **State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### **School Safety Plan - Most Recent Year**

This section provides information about the school's comprehensive safety plan.

Emergency Plan delineates responsibilities of key personnel in case of emergencies; Evacuation Plan describes routes for evacuating the building; Security officers' responsibilities and schedules are outlined; SPFD TAC Emergency Response Kt. In addition, we have in place the following items: Crisis Response Manuals which describe procedures in a variety of emergency situations; Emergency Supplies Center in the football field, First Aid Kits in each classroom; Earthquake and rescue supplies bags for each team; etc.

### **Suspensions and Expulsions**

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

	School			District			State		
Subject	17-18	18-19	19-20	17-18	18-19	19-20	17-18	18-19	19-20
Suspensions	6.50	3.80	2.30	1.60	1.70	1.50	3.5	3.5	2.6
Expulsions	0.00	0.10	0.00	0.00	0.00	0.02	0.1	0.1	0.06

Note: For 2019-20, data collected between July through February, partial school year due to the COVID-19 pandemic.

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior

### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### **Opportunities for Parental Involvement**

This section provides information about opportunities for parents to become involved with school activities.

- \* PTSA - Active support of Balboa's academic and cultural programs.
- \* School Site Council - Participation in policy development and allocation of funds.
- \* Afterschool tutoring - Work with athletes and underperforming students to increase achievements.
- \* Parent Center with parent Education Programs - Computer instruction, parenting classes, parent volunteers for classrooms, the library, and other school activities

If you are interested in parental involvement opportunities, please contact the principal at the school:

## Section D - Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### **Average Class Size and Class Size Distribution (Secondary)**

This table displays by subject area the average class size and number of classrooms that fall into each size category (a range of total students per classroom).

Subject	Avg Class Size	2017-18			Avg Class Size	2018-19			Avg Class Size	2019-20

### **Academic Counselors and Other Support Staff (School Year 2019-20)**

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time. Note: For various reasons, including funding sources and employees serving multiple locations, many of the staff in these positions are listed as working at central administrative offices, and so, will not show up under a particular school's staffing count. This includes the following FTE: Counselors - 11.8, Librarians - 31.6, Nurses - 55.3, Psychologists/Social Workers - 111.6 and Resource Specialists - 155. If additional information is needed regarding staffing in these particular support roles, please contact the school.

Title	Ratio

**Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2019-20)**

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. The option to report expenditures and salaries for the benefit of all schools in the district equally has been used. Detailed information regarding school expenditures and teacher salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>.

### **Professional Development**

This section provides information about the program for training the school's teachers and other professional staff.

Professional development is a part of every site plan and a major component of instructional support to departments. The district's professional development program provides opportunities for teachers to implement the district's core curriculum for all students, update subject area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies. Leadership development across content areas is facilitated centrally, and for educators and parents each school continues to provide some full days of professional development during the academic year.
